Bits & Pieces

ASSHOLE OF THE MONTH

Congratulations, Katherine Harris—it's a landslide! You have been elected HUSTLER's Asshole of the Month for April 2001, and no amount of chicanery can rob you of your rightful place in the shit rings of infamy.

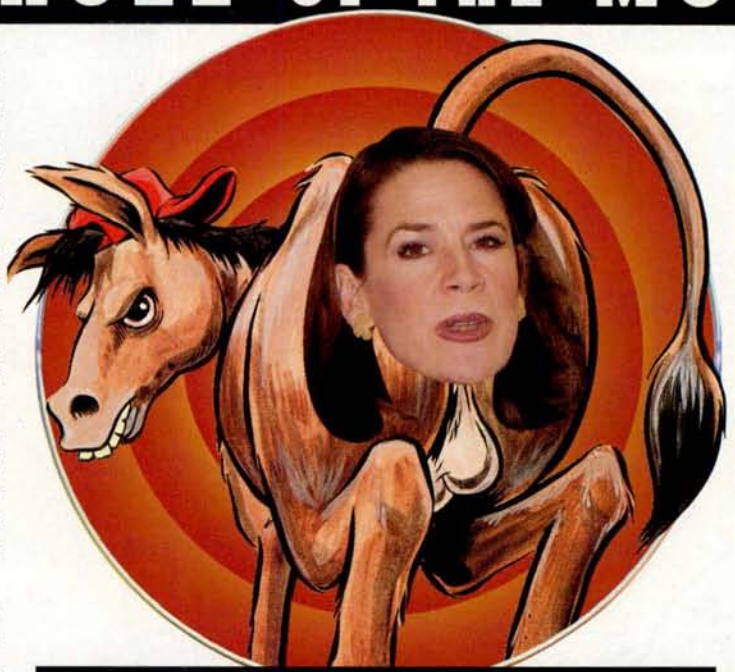
Harris, whose leathery, crevassed mug belies her claim to be only 43 years old, disgusted half the nation's voters this past November. As Florida's Republican secretary of state, Harris nearly tripped over her own sagging ass in a rush to certify George W. Bush the next President of the United States, though the winner of the election at that point was still unclear, and thanks to Harris will forever remain so.

Harris entered the world stinking rich, inheriting nearly $7 million from her citrus-baron grandfather, but not one penny of decency. Her entry into politics stank of felony.

An unhealthy chunk of the scary heiress's campaign fund for her 1994 Florida state senate bid came from Riscorp, a Sarasota insurance company. Five Riscorp executives later pleaded guilty to illegally reimbursing their employees for making the contributions; Harris's campaign manager was named a coconspirator in the scheme.

Her slime didn't deter Harris from making a mudfest of her 1998 secretary of state run. In a diabolical stroke of gall, Harris ran a TV ad during the primary lambasting her opponent for taking "illegal contributions from insurance executives," referring to the scandal that her own staff had been rectum-deep in.

The Florida secretary's main duty is to oversee the state's election process. Harris took office just after a fraud scandal had invalidated the Miami mayoral election. Harris neglected the need for reform and instead intensified her department's focus on foreign relations, allowing the multimillionaire to gouge taxpayers for $106,000 as she jetted to exotic locales.



KATHERINE HARRIS

"I have the best job in state government," Harris gloated between sightseeing missions.

Harris won the secretary of state's office promising to "depoliticize" it. Her idea of "depoliticizing" includes a 1999 attempt to dump Democratic Insurance Commissioner Bill Nelson and hand his authority to an appointee of Florida Governor Jeb Bush. Even Jeb poohpoohed the ploy, but the shameless Bush family later accepted far more evil brownnose favors from Shady Kate.

Harris's dual role as cochair of George W. Bush's Florida Presidential campaign and as election boss of the Sunshine State smells like conflict of interest. Long before W.'s pube-thin lead cast the vote into doubt, an ethical being would have recused herself, but Harris dashed to partisan action as to a Concorde departing for Aruba.

Harris's own Web site notes that "the electorate is the real party of interest in an election" and that an "unyielding adherence to statutory scripture" should be avoided when determining an election's outcome.

Her sight presumably blocked by W.'s ass cheeks, Harris overlooked these guidelines while scamming to establish Bush's shaky win. As more dutiful government employees conducted hand counts to bring finality to the vote, a populace already queasy with anxiety was outright nauseated by Harris's gruesome face as she twisted law out of context and stole every opportunity to ensure that the balloting's outcome would never be known.

Harris tried to excuse her contempt for the will of Florida's voters by citing "the rule of law," but she herself abandoned the rule of law by telling Nassau County's election board it could ignore a mandated machine recount after the new tally lessened Bush's lead by 52 votes.

Though the sleazy secretary's final certified result negated thousands of ballots, Harris puffed, "Our American democracy has triumphed once again."

Meanwhile, America wonders, *How does democracy triumph when it's rigged by a troll-faced twat who can't even bother to mask her bias?*

Harris is the only clear winner of the 2000 election. In a 1998 vote she *didn't* manage to fix, Florida eliminated her position as of 2002, but even before her November 27 certification of Bush, the filthy bitch was creaming over possibly joining W.'s transition team as a Latin American-affairs advisor.

She could begin by flying to Cuba and tutoring Fidel Castro in antidemocratic procedure. Then to Haiti where, if there's any justice, she'd be anally plundered by a gang of HIV-positive locals. It would be a partial reward for an Asshole who sodomized an entire country.

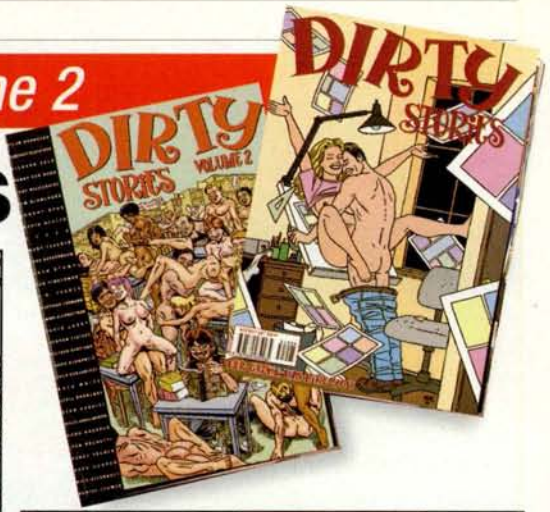
FARTS IN THE WIND

O. J. Simpson: The Juicy hemorrhoid continues to flare up and bring discomfort to the public. In September, Simpson both reportedly broke into an ex-girlfriend's Miami apartment and made a pathetic legal attempt to halt production of a TV movie depicting his mid-'90s murder trial. More recently, O. J. chimed in to declare news footage of a Ryder truck carrying disputed ballots from the 2000 election to Tallahassee "boring." Maybe, but at least the truck, unlike a certain Asshole's quest for "the real killers," was going somewhere.

Darrell G. Floyd: Nicotine cravings suck, but that's no excuse for a teacher at Gilbert Intermediate School in Stephenville, Texas, strip-searching a ten-year-old student in September because the kid was allegedly carrying cigarettes. The bare-assed probe found no smokes, but School Superintendent Floyd's subsequent defense of the privacy invasion reveals a giant Asshole.

Dirty Stories and *Dirty Stories, Volume 2*

Porno Graphics



What comes from pounded wood and is drawn by hand? If you answered "my jizz" and/or "a comic book," you're correct. Fantagraphics, purveyors of funny books for grown-ups, offers two collections of short, bone-tingling tales sprung from a wide range of filthy minds. *Dirty Stories* (1997, $12.95) and *Dirty Stories, Volume 2* (2000, $15.95) prove that many of today's top-notch illustrators are also top notch-illustrators. The variety of styles and perversions provides something for everybody, lending new meaning to the term *pop art*.

Dirty Stories and *Dirty Stories, Volume 2* are available at well-stocked comic-book stores or on the Web at www.fantagraphics.com.

The Unprecedented $10-Million Beaver Offer

Jenna Bush, This Could Be You!

HUSTLER's readers have preselected you to receive this bonafide offer of TEN MILLION DOLLARS, just for lying around and playing with yourself—in front of a camera, of course. Yours was the only twat in the First Family to receive so high an appraisal. Your sister was barely in the running. Imagine how much of your daddy's legal debt TEN MILLION DOLLARS could repay. Come on, Jenna! Accept Larry Flynt's TEN MILLION DOLLARS, and raise America's flag!

FIRST DAUGHTER'S HEAD STRIPPED ONTO OUR MODEL'S BODY. THIS OFFER IS ONLY EXTENDED TO JENNA BUSH AND EXPIRES DECEMBER 31, 2001. JENNA MUST POSE HUSTLER-STYLE FOR PUBLICATION. PHOTO SHOOT TO BE CONDUCTED BY A PHOTOGRAPHER SELECTED BY LFP. LFP RETAINS THE RIGHT TO FINAL SAY IN DETERMINING WHICH PHOTOS WE WILL PUBLISH, RETAINING ALL RIGHTS IN PERPETUITY.

This shot's a fake; how about the real thing? To claim your prize, Jenna Bush, reply to: HUSTLER's $10-Million Beaver Offer, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Or simply have Dick Cheney drop by.

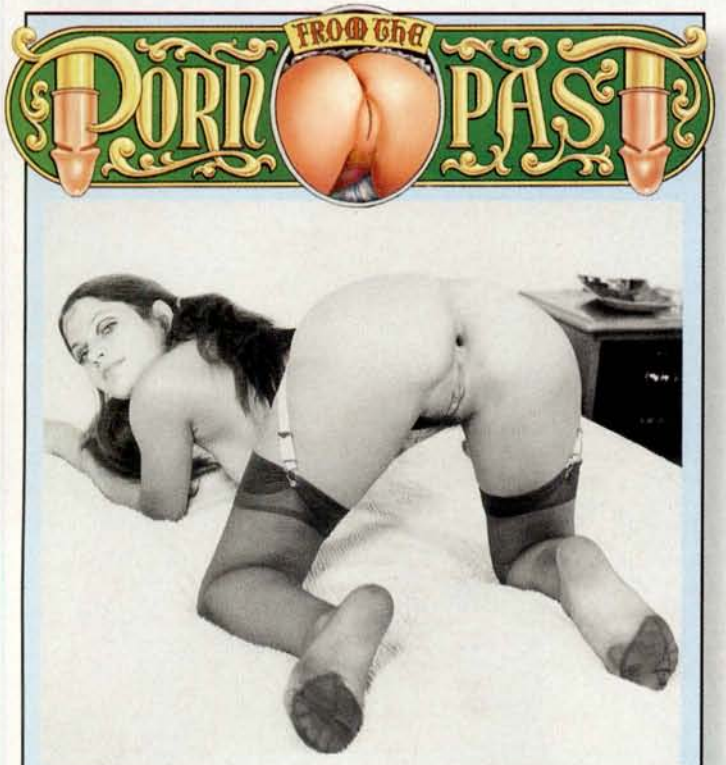
PARODY. NOT TO BE TAKEN SERIOUSLY. WE SUSPECT THE ACTUAL CHILD WILL BE HUMAN, OR AT LEAST AN APE. MOUNTAINOUS CELEBRITY'S FACE STRIPPED ONTO OUR MODEL.

Dad Thought Mama's Cunt Was a Blowhole

Manheim's Natural Child-girth

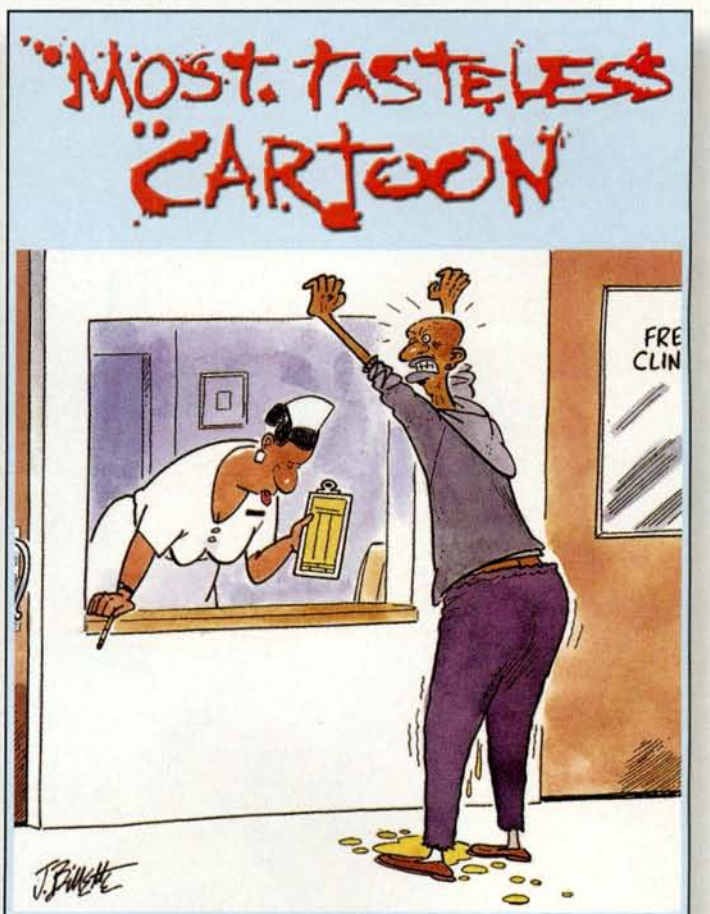
Blobby actress Camryn Manheim has jumped on the Hollywood pregnancy bandwagon, presumably flattening it. By April, the morbidly proud fatty will have produced a baby boy from somewhere in the boondocks of her sprawling gut. The little pork by-product's papa hasn't been named; we're betting that whoever did Jumbo had to shove so deep into her blubbery birth canal that, like so many doughnuts before him, he's been absorbed by Manheim's frame. HUSTLER hopes that Big Mama doesn't toss the kid down her gullet in an afterbirth feeding frenzy.

The fatherless child will take his mother's name—"Lardass."



The classic painting *Whistler's Mother* has been reproduced millions of times, but not nearly as often as this 1972 erotic masterpiece, *Mother's Whistler*.

Mark Z. of Camp Pendleton, California, gets wind of $150 for this gasp-inducing gaper. Blast your remembrance of things passed to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.



"Hmm, puddles of pus...prob'ly the clap."

Beaver Hunt Special Report

The Florida *Beaver* Recount

HUSTLER's Beaver of the Year Canvassing Board has ignored a small but telling percentage of the Sunshine State's *Beaver Hunt* votes due to indecipherable or stuck-together ballots. Some Floridian HUSTLER readers suspect that pregnant nads, dimpled choads and hanging wads have obscured the electorate's true intent; others have panicked at the possibility that their picks for a *Beaver Hunt* Grand Prize Winner have been tallied as votes for the wrong pussy—most likely Pat Buchanan.

As the final authority on all matters pink, Larry Flynt has flown to Florida to supervise the hand recount; he is also expected to call for the even application of hand sanitizer. Next time, Florida, HUSTLER wants a clean election.

PARODY. EVERY BEAVER OF THE YEAR CONTEST VOTE IS COUNTED BY HAND. UNLIKE SOME PEOPLE (HI, JEB), LARRY RUNS AN HONEST GAME.

Advice From a *Real* Men's Magazine

Esquire's Boner of Omission

In an attempt to return to its girlie-mag roots, oily rag *Esquire* put a semiprovocative shot of President Clinton on its December 2000 cover. The stool pedestal positioned between the President's legs supposedly makes Bill appear to have whipped out the First Dong. While it's a compliment to imply that Little Willie is made of lacquered steel, *Esquire* shouldn't waste America's time with guessing games. The image on the far right demonstrates the correct pose for a potent leader.

PARODY. NOT TO BE TAKEN SERIOUSLY. CLINTON HEAD STRIPPED ONTO OUR COVER.

Genetically Altered Porn

Consumer Alert

Earlier this year, taco shells made from a bioengineered corn hybrid found their way into the supermarket. Now, manipulated DNA has turned up in more important tacos: Due to a mix-up at the photo lab, genetically altered porn deemed unsafe for human corruption may have infiltrated newsdealers' shelves, resulting in mutated magazines.

For a leg magazine that doesn't bear HUSTLER's imprint, it's about average.

Don't expect any wads bigger than your bee's whacks.

A freakish trend that grew out of an ethnic niche.

PARODY. NOT TO BE TAKEN SERIOUSLY. NO SUCH MAGAZINES EXIST, ALTHOUGH ANY OF THESE WOULD BE A STEP UP FOR *HIGH SOCIETY*.

Sheer Pleasure

I've been obsessed with Gili from the January 2001 HUSTLER (Gili: Hard-Wood Whore) for the past couple of weeks. At first I couldn't figure out what it was about the pictures that made me so crazy. Finally, I figured out that it was the slut's pantyhose that drove me to the brink. I'd love to see more partially clothed Honeys in future issues of HUSTLER. As long as beaver is showing, what could it hurt if your model's wearing a sexy pair of knee socks or pulled-down undies? —M. C.
Branford, Connecticut

HUSTLER tries to offer a variety of outfits (or lack thereof) in our photo-sets. It sounds to us, though, that HUSTLER'S LEG WORLD, our foot-and-stem publication, is right up your alley. Hose, garters, tube socks and heels are utilized to their fullest effect, helping every girl look as nasty or elegant as you want them to be. Call (800) 386-7595 to subscribe.

Hazy Shade of Lesbo

The lesbian layout in the latest issue of HUSTLER (Helene and Camilla: Slit-Tickling Rivalry, January 2001) is the hottest yet. The brunette, Helene, reminds me of Susanna Hoffs from the Bangles. Seeing her go cunt-to-cunt with Camilla is like having all of my '80s fantasies come true. Thanks a ton, HUSTLER. —S. S.
Orlando, Florida

One of a Kind

I'm writing in response to D. W. ("Chasing Tracy," Feedback, January 2001). I take offense to his comparison of Tracy (Tracy: Deep Inside the Body Politic, November 2000) with the porn star Savannah. Clumping these two women together because of their similar looks denigrates them both. Each of these beautiful ladies is unique in mind, body and spirit. I apologize to both Tracy and Savannah for the insensitivity of my gender. —B. J.
Appalachia, Virginia

More of the Same

My buddies and I are huge Tracy fans (Tracy: Deep Inside the Body Politic, November 2000). Are you going to feature her in any upcoming issues or even some of HUSTLER's XXX movies? Tracy is gorgeous (the closest thing to Savannah I've seen), and I love how you reproduced her awesome cover photo on the HUSTLER Web page. Please give us more Tracy. —D. W.
via Internet

Seems like everyone has an opinion regarding our recent guest Beaver Tracy. The overwhelmingly positive response leads us to lean toward welcoming the blonde back with open arms. Who knows what the future holds? Keep watching the pages of HUSTLER to see if Tracy makes a comeback.

Holiday Heaven

Anita (Anita: Empty Hole Syndrome) in your Holiday 2000 issue is a total knockout. The rear views of her muff and asshole were fantastic. Lynette (Beaver Hunt) of Ponchatoula, Louisiana, with her hot, shaved snatch, was my favorite Beaver, while Diane's delicious-looking pink made my mouth water (Diane's Rude Ass). Thanks for all the hard-ons, and tell Anita that I'll trip on her trench any day. —D. E.

Kraut Crazy

I went crazy over the sexy German babe in the November 1998 issue of HUSTLER (Heidi: Go Climb a Cock). I know that it's been a while, but I can't seem to shake her hot body from my mind. Is she still working in porn?
—N. C.

Unfortunately, Heidi stopped returning our calls shortly after the photo-shoot you saw. (Guess we should have offered her a ride back down the mountain.) Luckily for

you, the lovely ginch made an appearance in the December 1998 issue of HUSTLER BUSTY BEAUTIES and has starred in several XXX tapes, including *Devil's Blackjack* (Vivid), using the name Cricket.

Hidden Depth?

I just purchased my first issue of HUSTLER, thinking that all I would find would be pictures of naked women. I was pleasantly surprised to discover that there was substance to the magazine, unlike the other erotic publications I've read. I was equally shocked by the level of intelligence in your articles. Most other stroke mags just have girls and sex stories; HUSTLER offers so much more. I look forward to reading many more interesting issues of HUSTLER. —J. P.

West Fargo, North Dakota

You're not the only person to underestimate HUSTLER, J. P. The staff works hard to win converts such as yourself. Producing porn with equal amounts of brains and guts is a hard-fought battle, but when new readers arrive and discover the balls and beauty of America's Magazine, it's all worth it. Welcome to the club.

Amber Action

I'm a 47-year-old single guy living in a small community in northern Vermont. The broads around here are either stuck-up, fat or trashy. That's why my monthly issue of HUSTLER is so appreciated. The first things I check out are the jokes and the all-natural girls of Beaver Hunt. This month, Amber (Beaver Hunt, January 2001) blew me away. It was great to see a hot snow-bunny such as herself in "the Hunt." You guys put out the best magazine around. —S. M.

Richford, Vermont

More Skin Within

I was born in the backwoods and, like my family and friends, was never circumcised. I know that you've run stories decrying the barbaric mutilation of male babies before, but there's still more that HUSTLER can do to forward the cause of uncut pricks. How about showing some fully zipped foreskins on occasion? When the infrequent intact male makes it into your magazine, his banana is usually completely peeled. I'd love to see one of your Honeys chewing on foreskin. I trust that you'll consider making my wish a reality. —K. D.

Georgetown, California

We're always suspicious when fellas write in and expound on male genitalia. Your case is an exception, since the cut of your manhood truly has been underrepresented in the field of porn. Don't fret though; the sheathed are rapidly becoming ubiquitous in XXX. Soon, you'll see more dicks like yourself within the pages of HUSTLER.

"I applaud HUSTLER for raising awareness about female genital mutilation. There are few civil-rights infractions worse than this."

"Blown Alone: Test-Driving the Motorized Orgasmic Release Device" (Sex Play, February 2001) was hilarious. The story brought back memories of a sex toy I once tried. I lubed up, shoved my cock in and became stuck. It was like a gorilla had a hold of my prick. Eventually I freed my joint from its grasp, but came away with funky hickeys all over my unit. Saving Gash

Your short article on female genital mutilation ("Genital Butchery: Ancient Ritual Lashes Out at Female Sexuality," Sex Play, October 2000) wasn't all it could have been. I applaud your magazine for raising awareness about the issue. However, I wish you had taken the story further, providing contact information for organizations that readers could join to combat this deplorable tradition. There are few, if any, civil-rights infractions worse than this. I wish HUSTLER had taken a more serious stance on this gruesome practice. —D. S.

Missing Larry

I love your new format, but I still think there's room for improvement. Why can't Larry take the time to write Publisher's Statements anymore? I understand that he's a busy man, but when I found out that he writes them for HUSTLER XXX, I was kinda pissed. I can't afford to pay 15 bucks a pop for your high-end magazine. Don't forget Joe Six-pack, Larry. Please return to sharing your pearls of wisdom with us. —W. H.
Coralville, Iowa

With the launch of our new title, HUSTLER XXX, the big boss felt it was necessary to give the early issues a push with an explanatory note up front. When it comes to his flagship magazine, Mr. Flynt is very confident that people already know what they have in their hands. In other words, HUSTLER needs no introduction.

Molina and Joey Fuck-Me Pumps

Photography by Fresh Media

Molina adheres to a strict dress code. "When I wear these shoes, I get laid," explains the trampy fashionista. "I hate small-talk bullshit. If I want conversation, I'll call a phone psychic.

"A guy with any brains at all can tell by my outfit that I'm looking for a stiff dick to plug my holes.

"Fashion is about fucking. You know by the way a girl dresses if she swallows spooge."

"You can see Molina chugs it," laughs Joey.

"Shut up." The stylish slut slides Joey's love muscle into her velvet tunnel. "You're lucky penis is my favorite accessory."

Golden April Showers

I like wet things. A sudden spring rainstorm refreshes the senses. The rhythmic churning of ocean waves soothes the soul. Sloppy-ass, sopping-wet pussy stiffens the cock and tightens the nuts. Then there's the ultimate watery wonder: A slippery cunt squirting piss from its tiny, pink urethra, the rapid stream soaking my fevered genitals like a hot, briny waterfall. Nirvana is the wet heat of fresh piss as it splatters against my turgid wang. For that one splashy moment, the universe makes perfect sense.

Kisha is heaven's gift to me. She is a wild, wet woman, and she loves to pee all over my cock. I first met Kisha at a popular watering hole, Lanky's Hideout. It was wet T-shirt night, and Kisha was competing. She took my breath away when she stepped onto the stage in her tiny, white half-shirt to face the hose. Water crashed against her ample tits. The cotton fabric became translucent, clinging to her glorious mounds. Rivulets dripped from her inky-black hair and down her face, forming teardrops on her luxurious eyelashes and glistening like dew on her red, bee-stung lips. The woman was pure, liquid splendor, a water goddess, and I had to meet her.

I approached the vision of loveliness as she enjoyed her First Prize Mega-rita at the bar.

"You were amazing up there," I said, my palms sweaty with the desire to handle the beauty's damp mams. "My name is Duff, and I would love to take you out sometime."

"Charmed," she purred, unwrapping her glossy lips from the margarita glass. "My name's Kisha. I'm game; take me out tonight."

Holy shit, I thought. *This is too simple!*

"Let me buy you another drink before we go," I offered. I wanted to make sure her bladder was brimming. Kisha agreed to another Mega-rita and slurped the beverage in a fiendish, yet graceful, manner.

"All right," Kisha announced with a dainty belch. "Let's blow."

We scurried into the night, giggling like naughty children. We stopped at the Fast Mart for beer and a box of Bugles before heading to Jackson Lake. I often visit the lake to watch the night sky and jack off while dipping my toes in the cool, black water. How my heart swelled to share this special place with such a gorgeous creature!

As soon as I parked the car, Kisha bounded toward the water, shedding her clothes as she ran. I marveled at how such large, all-natural breasts could be so firm and perky. Kisha splashed into the lake, laughing and taunting me to join her. My hard pecker was aching in my boxer shorts. I eagerly tore off my clothes and sloshed in next to Kisha. Her skin was slippery and hairless. I cupped her floating tits and bumped my rigid dong against her slick, bald cooter.

"I need to pee," Kisha tittered, rubbing her pussy lips along the shaft of my shank.

"Don't waste it," I panted, pulling her out of the water. I fell onto my back on the shore and held Kisha's hips steady over my crotch.

"Piss on my dick," I panted.

Kisha bent her knees slightly and cocked her coochie toward my prong. After a pregnant pause, hot, fragrant liquid splashed *patter-pat* across my belly and jock. The sound was heavy and damp, like raindrops hitting a drum. My throbber grew urgent with desire as the sweet bitch-broth soaked my pubes and warmed my balls. Rapturous moans escaped my throat.

"You like to be pissed on, don't you?" Kisha hissed, jiggling a few more golden drops from her soaked cunny. "You like a big, bad woman to excrete liquid waste on you. You're a sick fuck."

Kisha ran her slick, pointed tongue along the underside of my shaft and kissed the head with her juicy lips.

"*Mmmmm*, my tee-tee tastes fucking *good*," Kisha observed. *(continued on page 45)*

Snoop's Upside Your VCR

The Doggfather of Hip-Hop Raps About All Things XXX

Q and A by David Buchbinder

Photography by Larry Zyn

Scalloped stone steps lead past eyeless African statues, standing sentinel with spears in hand, to the foyer of Snoop Dogg's Mediterranean-style mansion in Claremont, California. Snoop, only 28 years old but already a veteran, internationally renowned rap star, holds up a HUSTLER T-shirt while a photographer furiously snaps pictures. Nearby, a white porcelain statuette of a maid stands, bearing a silver platter for calling cards.

Having reached the pinnacle of record-industry success with a string of top-selling albums, Snoop has joined hands with Larry Flynt to put out *HUSTLER's Snoop Dogg's Doggystyle*, a cross between a music video and an X-rated film, which was lensed at Snoop's home and will be distributed by HUSTLER Video.

For his first foray into the world of adult film, Snoop recruited skin stars such as India, Obsession, Farrah, Anna Malle, Tony Eveready and Mark Anthony to perform in hard-core sex scenes. Snoop, who is mar-

ried and has two children, doesn't partake in any of the hard-core action, but his hip-hop tunes represent a welcome improvement on the traditionally abysmal caliber of skin-flick soundtracks. Snoop also appears in music-video segments that intercut the fuck footage.

On a recent afternoon, Snoop took a break from cutting new hip-hop tracks in one of his two in-house music studios to discuss his controversial video venture. Perched on a bench in his backyard, next to a basketball court with aluminum grandstands and a bus bench bearing an advertisement for his 1996 album, *The Doggfather*, Snoop told the hard-core truth about bringing the worlds of music and porn together.

HUSTLER: Other mainstream artists have cast porn stars in their music videos, but you are the first to go so far as to make an adult film.

SNOOP DOGG: A lot of people like to hide and think that it's not cool, but I'm like, "Fuck it. We're rapping about it when we're doing records." We in the studio doing it, we making it hard-core, and we should be able to put it out hard-core. And this is an avenue to do it.

HUSTLER: How did you come up with the idea to do *Doggystyle*?

DOGG: The video director, Michael Martin, brought it to my attention. It's just something that was creative, and it's fun, and I had the music and the house, and I knew a few girls that did porn.

HUSTLER: Did you tailor the music to the sex scenes? Are there any gangsta songs in the video?

DOGG: Nah. Hell no. It's all fuck songs. We make them every day. And what's so cool is that a lot of those fuck songs don't go on records because our records don't call for that.

HUSTLER: How do you think *Doggystyle* will be received by your fans?

DOGG: It's made for the people who enjoy it. It's not made for the people who don't get it, who don't understand it. We make it for the hard-core porn people that's down for this shit, that love the music that we make and want to see some good shit and hear some good shit.

HUSTLER: Did you have any involvement with the porn industry prior to making *Doggystyle*?

DOGG: I got a friend of mine who do porn, my buddy Stoney Curtis. He got a porn movie that he put out called *Hot Bods and Tailpipe*. That's my boy.

HUSTLER: Did you handpick the talent that appears in *Doggystyle*?

DOGG: I had them go through the auditions and picked out the ones I wanted, because I didn't really want the regular ones that be in all the other movies. I wanted the quality shit, you know, a variety of flavors, as well as all the ones that was down to do it at all.

HUSTLER: I talked to Obsession. She said that every time she ran into you, you said you wanted to do porn. Now it looks like you finally did.

DOGG: Exactly. I wanted to do it after I had met a couple of girls in the porn world. I was watching some of the movies, and the movies was weak to me. The music was real fucked up. And man, maybe if I put the bitches together, add the music, get a quality director, shoot it—not like a porn movie, but like a video—have a creative edge to it, probably do some fly things.

HUSTLER: *Doggystyle* isn't your first foray into home video.

DOGG: I'm getting ready to do a movie called *Baby Boy* for my record, *Tha Last Meal*. Then I'm doing a movie with my girl group, Doggies Angels. *The Eastsidaz* movie just came out; it's in stores right

now. It's a movie I starred in, cowrote, executive-produced. That's the kind of direction I'm leaning toward, as far as just doing home videos, gangsta movies, movies that have a good story and the porno movies. Probably one a year. And continue to fill the market up with good shit.

HUSTLER: Do you expect *Doggystyle* to create controversy?

DOGG: If you can do it, do it. If I can make a quality porno movie, or a quality gangsta movie, then when I turn around and do a movie for the kids, what dey gon' say? "Snoop was great doing this movie for the kids. He was beautiful. But what about the porno shit?" Don't worry about the porno shit. I do certain shit for certain reasons. I'm going to continue to fill in the blank spots on what's missing in the industry.

HUSTLER: Is notoriety part of your image?

DOGG: I don't really think it is, but it comes with the territory. As much shit as you do is what you gon' be known for. I continue to do what I do best.

HUSTLER: Would this project have

I just want the people who make the movies and the directors in the porn world and the actors to say, "Damn, this is some quality shit right here."

been possible five years ago?

DOGG: The world accepts certain shit now that it wouldn't accept five years ago. It's a change with the industry; it's a change with the presidency; it's a change with me in general. Growth and development. I'm glad we have President Clinton in office, because he was a real motherfucker. And we need that sometimes. Somebody that, you know, is going to be on the same page as we are. Go through the real shit that we go through, and not try to oppress people, and make it so hard on the motherfuckers who don't have it.

HUSTLER: What do you think about the 2000 election?

DOGG: Keep it in-house. We need Al Gore. Bush already killed 100 people from his governor position. Al Gore ain't killed nobody. We want a murderer for president?

HUSTLER: You have already shot footage for *Doggystyle, Volume 2*. How is *Volume 2* different?

DOGG: Each volume got to change and get better, or it's useless to do it. So it's like, "What kind of angle can we take to make this shit different from all the porn movies that's out right now?" But it still has the same Snoop Dogg edge and feel to it.

HUSTLER: How do you expect *Doggystyle* to be received by the adult-film industry?

DOGG: I just want the game to respect it. I just want the people who make the movies and the directors in the porn world and the actors to say, "Damn, this is some quality shit right here. I wouldn't mind working with Snoop Dogg on some shit, or try to get a song from Snoop." Or, you know, "Snoop Dogg real cool." Try to come into the game and be cool with everybody. Make some quality shit. This is a good industry; that's why I love it, and I want to be a part of it.

Michael Raven's Exposure

Directed by Michael Raven. **Starring** April, Sydnee Steele, Teri Summers, Sophie Evans, Samantha, Mark Davis, Tony Ribas, Carl Kinkade and Joey Ray. **Videocassette:** Sinister.

Michael Raven brings good smut to light with *Exposure*, a straightforward video collection of fuckable starlets doing what they do best. Smoking-hot fuck bunny April receives a sweltering outdoor reaming, working up a nasty thirst that's quenched with cock spray. At the edge of a swimming pool, raven-haired Sydnee Steele has her slot violently pounded by the sweaty Mark Davis before he tests the elasticity of her shit chute with his hefty sausage. Succulent Sophie Evans engages in a standing 69 with Tony Ribas, and Mark Davis shows up again to nail the adorable Teri Summers. Platinum-blond Samantha rounds out the video by taking on the sizable bone of dreadlocked cocksman Carl. There's no time wasted with embarrassing plots and dialogue; each scene is masterfully shot, and the ladies all look great. *Exposure* glaringly shows by contrast what's wrong with so many XXX tapes on the market today.

Making Virtual Sex Better

The interactive nature of the DVD has great potential, particularly in the realm of XXX, where the promise of virtual sex haunts fans like a high-tech Holy Grail. True to form, smut manufacturers have cranked out product to capitalize on the format's appeal without actually exploring its possibilities. *Erotic Entertainment* makes some demands from the purveyors of high-tech hard-core in hopes that they'll improve the medium and give HUSTLER's readers more bang for their digital buck.

Don't Skimp on the Screwing

Titles such as *Chasing Stacy* (VCA Interactive) and *Virtual Sex With Jenna* (Digital Playground) seem great in concept, since fucking superstars such as Valentine and Jameson is every mook's idea of a dream come true. Sadly, these titles are merely collections of painfully short sex loops (one for every copulatory position) tied together by a clunky interface. Said clips should last at least five minutes longer so that the stroker can simulate the experience of banging Jenna in his favorite position and spank himself to climax without feeling like he's boning a broken record.

Make Every Angle Awesome

Offering sparse "multiple" views (which usually just consist of a normal and "flipped" image) is a surefire way to tick off viewers. Take a hint from *All Star* (Digital Playground); every sex scene contains seamless dual angles, each offering top-notch perspective. Titles such as *The Orgy* (Vivid DVD), by contrast, fail with secondary shots that hang way too far from the action.

Improve the Fucking Interface

While the sensory realism portrayed in *The Matrix* is still a long way off, some serious improvements can be made when it comes to navigating virtual-sex discs. For starters, *Erotic Entertainment* recommends creating a universal DVD remote specially designed to facilitate simultaneous rod-stroking and button-mashing. (One of those strap-on head-wand deals that quadriplegics use to dial the phone might suffice.)

A Minimum of Five Pops Per DVD

Just about every porn tape on the market gives viewers at least five hard-core scenes, each with a cumshot. Every interactive disc should do the same, making sure to offer the choice of viewing facials, tit-sprays or ass-plastering. Under no circumstances should ejaculations be faked, as is the case in *Virtual Sex With Jenna* and *Virtual Sex With Julia Ann* (Digital Playground). If the actual participants in the onscreen sex can't be bothered to climax, what chance does the viewer have of doing so?

Chasing Stacy: *Worth running after or a wild-goose chase?*

Virtual Sex With Jenna: *Digital pop-shots and porn just don't mix.*

The Orgy: *One erect angle and two limp ones fail to add up.*

Bordello Blues: *Cannon's favorite hooker reminds him of mommy.*

Camp Erotica: *Always wait at least 20 minutes to go swimming after doing this.*

Bone Appétit Bukkake: *Nicole Sheridan with a ball-butter glaze.*

Fuck-U-Mentary #2: *Sophie's poop dreams.*

Camp Erotica

Directed by Colonel Rob.
Starring Kiki Daire, Maren Beautte, Rikki Lixxx, Miss Chuckles, Ariel, Melinda Strange, Dave Hardman, Francis Lurid, Fritz Deus Kat, Pie Dog Savage, Thrill Kill, Johnee Armstrong, James Long and Rocketboy.
Videocassette: Mondo Family Films.

Camp Erotica, from the miscreants who created *The Brides of Countess Recula*, will go down in history as the lowest, basest, most amateurish filth ever created. From start to finish, this disgusting slab of smut does everything it can to shrivel the viewer's boner to a tiny nubbin. The compelling twats of Kiki Daire and Maren Beautte temporarily overcome the flick's nauseating subject matter, sickly lighting and homoriffic gags, summoning reluctant hard-ons that can only be shamefully spanked away in the deepest, darkest corner of the basement. Elsewhere, the disturbing image of Beautte's jizz-drenched twat etches itself into the mind like a vivid nightmare, and a fly-ridden, wienie-roast orgy churns stomachs (especially when Kiki crams a mustard-covered hot dog up Dave Hardman's ass). Damn Colonel Rob and the entire Mondo Family to hell for cursing the world with *Camp Erotica*. ***—Nicholas Veridian***

Bordello Blues

Directed by Wesley Emerson.
Starring Devinn Lane, Ava Vincent, Rene LaRue, Gwen Summers, Inari Vachs, Alex Foxe, Chris Cannon, Mickey G., Michael J. Cox and Ian Daniels.
Videocassette: Wicked Pictures.

In *Bordello Blues*, Devinn Lane plays an uptight biddy who finds out that her late husband owned a brothel stocked with outstanding fuck talent such as Ava Vincent and Gwen Summers. Devinn is initially horrified by her inheritance, but she soon cottons to her crew of business-savvy whores, who solve Devinn's financial problems and dispense compelling nuggets of hooker wisdom about the social and moral advantages of prostitution. The setup makes for mildly cute smut, but Ava Vincent spends far too much time sitting around in lingerie spouting plot exposition. Eventually Devinn gives in to the sapphic charms of Gwen Summers, and the house of sin finally fills with explicit activity. The ensuing carnality proves vastly more strokable than Rene LaRue and Alex Foxe discussing their 401k plans. Inari Vachs provides one of the few hot fucks that keeps *Bordello Blues* high-class and hot. ***—C. T.***

Bone Appétit Bukkake

Directed by Mike Adam.
Starring Nicole Sheridan, Lianne, Tara and a gang of mooks.
Videocassette: Metro Inc.

Bone Appétit Bukkake sets itself apart from other facial fests by countering its cum-centric focus with plenty of boner bait. The problem with most video splooge-a-thons lies in the inherent philosophy of *bukkake*, which dictates that a gang of sweaty dudes pleasure themselves for extended periods before the face basting. The viewer's delayed sexual gratification comes from peeks of flesh and the *bukkake* victim's ultimate reduction to a receptacle for male seed. For the average spanker, watching a bunch of mooks whack off rightfully feels queer. That's why *Bone Appétit Bukkake*'s prolonged fluffing intro, in which Lianne and Tara give an endless stream of blowjobs, is a vital addition. Even after the gorgeous Nicole Sheridan is finally carted out for her protein bath, the camera never fails to capture the ongoing rod-gobbling on *Bone Appétit Bukkake*'s sidelines. Now that's how to cook up good smut. ***—N. V.***

Fuck-U-Mentary #2

Directed by Luis Cypher and Derek NewBlood.
Starring Sophie Evans, Kat Langer, Candy Cotton, Kelli Sparks, Jessica Jewel, Amber Woods, Luciano, Mark Woods, Brian Surewood, Tony Ribas, Lee Stone, Lexington Steele, Mr. Marcus and Mark Anthony.
Videocassette: Armageddon Entertainment.

Fuck-U-Mentary #2 is a quintet of rude yet routine hard-core vignettes. Besides its catchy title, there's not much to distinguish this tape from the rows of spank fodder it shares shelf space with at the local porn shop. The box cover boasts, "See what you have always wanted to do—but never could." That may hold true for the folks who delight in observing Mark Anthony, Mr. Marcus *and* Lexington Steele stretch Candy Cotton's gash to the limit with their preternaturally large schwantzes. Amber Woods and Jessica Jewel offer less exotic fare, tackling a pair of porn studs in a scene that leaves them gurgling spuzz into each other's mouths. Luis Cypher makes the occasional appearance, and codirector Derek NewBlood tokes up onscreen. Perhaps the on-set ganja explains why *Fuck-U-Mentary #2* is mostly schlock footage. ***—C. T.***

Debbie Does Iowa: *Temptress is a little bit country, a little bit whore.*

Mr. Beaver Checks In #2: *Her net worth is way more than yours.*

Debbie Does Iowa

Directed by Paul Thomas.
Starring Temptress, Blair, Tiger Lily, Vivian Valentine, Sky, Alexandra Nice, Regan Starr, Bobby Vitale, Tice Bune, Dillion Day, Chris Cannon, Sergio, Devin Wolf and Eric Everhard.
Videocassette: Vivid Film.

When the cow-town football squad in *Debbie Does Iowa* needs a new cheerleading coach, Debbie (played by Sky) is called in to teach the girls a thing or two about ball-handling. Not that any of the cuties in Clearville need lessons in carnality; Blair drags her boy-toy Eric Everhard up the water tower for a raucous, open-air bang. Vivian Valentine suckles on Chris Cannon's choad in the shade of the shed. Meanwhile, Temptress climbs aboard a John Deere with her favorite stag, Devin Wolf, for an inspired rutting session. Like most Vivid productions, this offering is light on facials, but compensates by delivering a hefty eight sex scenes. Unique settings also help by offering a refreshing change from the typical San Fernando Valley milieu, but it's the exquisite cast of countrified pep girls that makes *Debbie Does Iowa* worth cheering for. ***—N. V.***

Mr. Beaver Checks In #2

Directed by Frank Thring.
Starring Katja Love, Mina, Agnes, Kathy Heart, Barbi Lopez, Olivia, Alex, Nick Lang, Melvin, Karl Ben and Frank Thring.
Videocassette: HUSTLER Video.

The titular star of *Mr. Beaver Checks In #2* apparently has an obsession with dog shit. Both installments of his eponymous series feature weak slapstick about canine excrement in such far-flung locations as Budapest, Hungary and the countryside of Venezuela. Thankfully, Mr. Beaver keeps his travelogue discursiveness and scatological asides to a minimum, allowing the video's parade of shameless Eurotrash nymphos to provide ample rod-stiffening material. Time and again, these foreign sluts show an unmatched natural capacity for taking it in the shitter. There's also an outstanding lesbo romp between Mina and Agnes that even Mr. Beaver's intrusion doesn't sour. Only Mr. Beaver's concluding segment in Los Angeles derails, when his encounter with eye-popping fuck doll Olivia is cut inexplicably short. Otherwise, *Mr. Beaver Checks In #2* is a welcome visitor. ***—C. T.***

Goddess

Directed by Nicholas Steele.
Starring Adajja, Alexandra Nice, Skylar Night, Harmony Grant, Amber Michaels, Keri Windsor, Alex Foxe, Joey Ray, Mark Davis, Rod Scott, Evan Stone and Eric Everhard.
Videocassette: Adam & Eve Productions.

In *Goddess*, Skylar Night is an oversexed writer who magically experiences her own bawdy medieval tales. Under the direction of Nicholas Steele, this production is both elegantly costumed and thoughtfully shot, creating exotic vignettes that please eyes and loins alike. In one sequence, Mark Davis plays a pharaoh resurrected for the pleasure of Alexandra Nice. The porn queen kneels before Mark and slurps his scepter. Davis bends the regal slut over and batters her snatch before spurting royal jelly onto her imperial visage. While the sex is satisfactory and the sets are top-notch, this production loses points for imposing a cheesy techno soundtrack on certain fuck scenes. When as much care is put into a period flick as was obviously invested in *Goddess*, condoms should be the only anachronism. ***—N. V.***

Cum & Chaos

Directed by Mark Daslate.
Starring Tiffany Mason, Heather Lynn, Mariah, April, Alexandra Quinn, Isabella, Gina Ryder, Voodoo, Mark Davis, Tice Bune and John Strong.
Videocassette: Elegant Angel.

Cum & Chaos is slick, nasty and to the point. Despite its editing flourishes and digital effects, this flick means business. Before the opening credits end, Voodoo and the glorious Tiffany Mason are already at it. The leggy, all-natural wonder jumps Voodoo like a tigress at feeding time and goes straight for the meat, devouring his uncut schlong like it's her primary food source. Voodoo slides into Mason's trench slowly before furiously plowing her. Mason cheers the fucker on with a "you go, boy" enthusiasm. "Tear that pussy up," Tiffany growls as the tattooed swordsman plumbs her pink depths. No sooner has Voodoo emptied his balls onto Mason's face than an unknown gunwoman enters their bedroom and greases both of them. By killing off characters, *Cum & Chaos* eschews storyline, making room for immediate gratification. ***—N. V.***

Goddess: Mark worships at Alexandra's altar.

Cum & Chaos: "Hepp me! I'm thtuck!"

Talking to Beaver

A Word With the World's Luckiest Brit

Mr. Beaver: Target of playa-haters everywhere.

Mr. Beaver Checks In, a new series from HUSTLER Video that incorporates the genres of travelogue, slapstick and gonzo porn, chronicles the sexual misadventures of its title character. *Erotic Entertainment* caught up with the intrepid Mr. Beaver in the international lounge of the Los Angeles airport to learn more about the hapless sex star.

***HUSTLER:* So you're English or something, right?**

BEAVER: Yes, I have the pleasure of being British, thank you very much.

***HUSTLER:* Are you related to Benny Hill?**

BEAVER: No. I'm sure Mr. Hill, who has passed away, was a wonderful comic, but I'm quite a serious person, really.

***HUSTLER:* You're a pretty fancy English lad. How do you expect Joe Six-pack in America to relate to you?**

BEAVER: I'm an average, pussy-loving bloke; so when I manage to fuck a good-looking chick, I hope he can enjoy it. I'm not always successful. Sometimes I don't exactly score, and the average fellow can probably relate to that as well.

***HUSTLER:* In each of your tapes, there's an incident where you run afoul of a pile of dog crap or something equally gross. Why do you keep falling in shit?**

BEAVER: Let's just say I'm naturally clumsy.

***HUSTLER:* Our reviewer, Clive Thurstwood, referred to your dick as "greasy" and "oddly crooked." How do you respond to that?**

BEAVER: We can't all have beautiful penises. The question is, "Does your knob work or not?" I've no complaints in that department.

***HUSTLER:* Which chick has been your favorite fuck so far?**

BEAVER: They're all lovely, lovely girls. There's a smashing D.P. that I perform with a lass in a gym, which I think will be coming out in *Mr. Beaver Checks In #4*. That was my favorite bird so far.

"Waiter, I ordered crumpets, not strumpets."

***HUSTLER:* Besides the pussy, what's the best thing about working for Larry Flynt?**

BEAVER: The tea in the HUSTLER Hollywood café is quite nice. I have a fairly generous employee discount now; so I can drink Darjeeling to my heart's content.

***HUSTLER:* That has to be the fruitiest thing I've ever heard. Thanks for your time.**

BEAVER: Cheers.

Luciano's Anal Asspirations: *Though not technically anal, Monika's goal is heady nonetheless.*

Maya's Addiction: *Bailey puts off doing the dishes.*

Mind Games #2: *"Okay, now you be the horsey."*

Maya's Addiction

Directed by F. J. Lincoln.
Starring Maya Devine, Chloe, Bailey, Adajja, Kelsey, Chenin Blanc, Ian Daniels, Marty Romano, Chris Cannon, Cheyne Collins, Eric Masterson and Evan Stone.
Videocassette: VCA Pictures.

Maya's Addiction revolves around blond vixen Maya, whose husband, Chris Cannon, is a chronic masturbator. At Maya's behest, Chris joins a 12-step program for sex addicts. The various recovering fuck junkies share their ribald stories of hitting bottom, their obscene escapades presented in flashback. Adajja groans ecstatically as her tender ginch is slurped and fucked, and Chloe is at her smoky-voiced best as a stripper who becomes a biker's sexual downfall. Sluts Chenin Blanc and Kelsey earn their day rates, but the lame recovery humor and cheesy production make *Maya's Addiction* a habit that's easy to kick. **—C. T.**

Luciano's Anal Asspirations

Directed by Luciano.
Starring Claudia Adkins, Jewel De'Nyle, Dolly Golden, Monika, Nikita Denise, Luciano, Mark Woods, Gino Greco, John Strong, Jason McCain, Steve Taylor, Marc Barrow, Claudio, Lee Stone and Arnold Schwartzenpecker.
Videocassette: Extreme Associates.

Masquerading as a hard-core butt-plugging festival, *Luciano's Anal Asspirations* brings bondage and rough sex to the table with mixed results. Every vignette opens with a submissive slut being bound and taunted by Luciano. Jewel De'Nyle, in fetching leather straps and collar, is forced to lap water from a dog bowl labeled "bitch." Luciano roughs De'Nyle up, squeezing her face and spitting in her mouth before cramming latex toys and a speculum in her fuckholes. Four boners wander onscreen, force their way into Jewel's mouth, pound her raw and spurt ball butter on her panting face. Though the combination of light S&M and hard-core in *Luciano's Anal Asspirations* sounds promising, the video ultimately squanders its potential. **—N. V.**

Mind Games #2

Directed by Adriane Gold.
Starring Julie Meadows, Gina Ryder, Harley Raine, Allison Embers, Ashley Rider, Brick Majors, Rich Handsome, Adam Wilde and Rick Hawkins.
Videocassette: Legend Video.

A slick package of boutique porn, *Mind Games #2* depends on the strength of its stable of sluts to overcome the annoying pretensions of director Adriane Gold. Over slow-motion footage of Julie Meadows caressing a musclebound stud, an absurdly stupid voice-over sets up a lame story about a mysterious doctor's carnal experiments. If the determined spank fan can endure the flashy editing tricks and painful pre-fuck interviews of starlets such as Gina Ryder and Harley Raine, he'll enjoy five well-shot scenes in which the various sluts are made up to look as good as they ever will in front of a camera. Natural-titted Ashley Rider masterfully sucks cock, and mega-mammed Harley Raine clearly loves to fuck, but the star of the show is Julie Meadows, whose hot slit compels *Mind Games #2*'s viewers to play with themselves. **—C. T.**

With a dainty grunt, Kisha released a steaming stream of wee all over my face. Bitter droplets rolled onto my tongue and down my throat.

(continued from page 31) She secured her lips around my meat and swallowed. Her mouth was hot and sticky as her throat milked my pump. I wanted to taste her tang.

"Ram your pussy in my face," I huffed, breathing short and fast, taming the urge to come.

Without dislodging my honker from her gullet, Kisha crawled to face me with her tight, round ass. I slapped her firm cheeks and buried my tongue in her slit. The salty flavor of urine danced in my mouth. I ravenously lapped Kisha's silken, puffy labes and flicked her swollen clit. Sweet, aromatic pussy juice mingled with the lingering taste of pee.

"*Hmmmm*, too many margaritas," Kisha murmured around my meat. "I'm fixing to tinkle again."

"Do it," I slurped, my heart pounding with anticipatory thrill.

With a dainty grunt, Kisha released a steaming stream of wee all over my face. I snuffled like a pig in shit as the acrid brew spattered my lips and chin. Bitter droplets rolled onto my tongue and down my throat. Her bladder now empty, Kisha giggled and vigorously wiped her glistening snatch with my face. I popped her ass with my palm; the *crack* was loud as gunfire.

"I'm going to fuck the daylights out of you," I warned, lifting Kisha off my mug and positioning her facedown, butt-up. The horny trollop dug her long fingers into the soil and growled, ready for action. I parted the petals of her pink snatch with my fingers and plunged my rod balls-deep into her tight trench.

"*Uuuunnnngh*," Kisha grunted as my peen disappeared into her ginch. "That's right."

I steadied myself with my hands on Kisha's waist and pumped rapidly. *Schlop, schlop*—her cunny was sopping wet. My nuts contracted and began to tremble.

"Hold on, baby," Kisha implored. With impressive finesse, she twirled around and lowered me to the ground while retaining her firm cunt-hold on my cock. She rode me like a desperate dude, banging with enough force to knock air from my lungs. With each *whack* to my groin, my wang lunged closer to orgasm and my breath grew more labored.

"Here I go!" Kisha squealed. Deeply relieved, I let my jizz fly. Kisha's sloppy pussy quaked furiously around my shaft. My cock hurled ball batter into her hot canal while a flood of lady juice gushed from her orgasmic snatch, soaking my balls and belly with fragrant female ejaculate.

"You piss *and* you come buckets," I gasped, placing my hand tenderly on Kisha's flushed face. "You're a motherfucking dream come true."

Lucky me. Kisha keeps me wet as a goddamn lake. When it rains, it pours.

Vaginal Vengeance

My boyfriend Garrett works in a giant furniture warehouse from 11 at night till eight in the morning. Recently, he started leaving a touch earlier and returning a touch late. Little by little, the shifts grew longer until the bastard was gone from 9 p.m. till 9 a.m. Garrett insisted that there were just *tons* of shipments coming in and he just *had* to work longer hours. *Bullshit*, I told myself. He'd flop into our bed in the morning smelling like Love's Baby Soft and Aqua Net. I was *real* suspicious; so one morning, after he conked out, I snuck my head under the covers and sniffed his dick. Big surprise; the thing reeked of pussy. That *rat*. I'm a fucking knockout: big tits, fiery red hair and a sweet bubble butt like a black girl's. To think any man would want for more than my hot body was the ultimate insult.

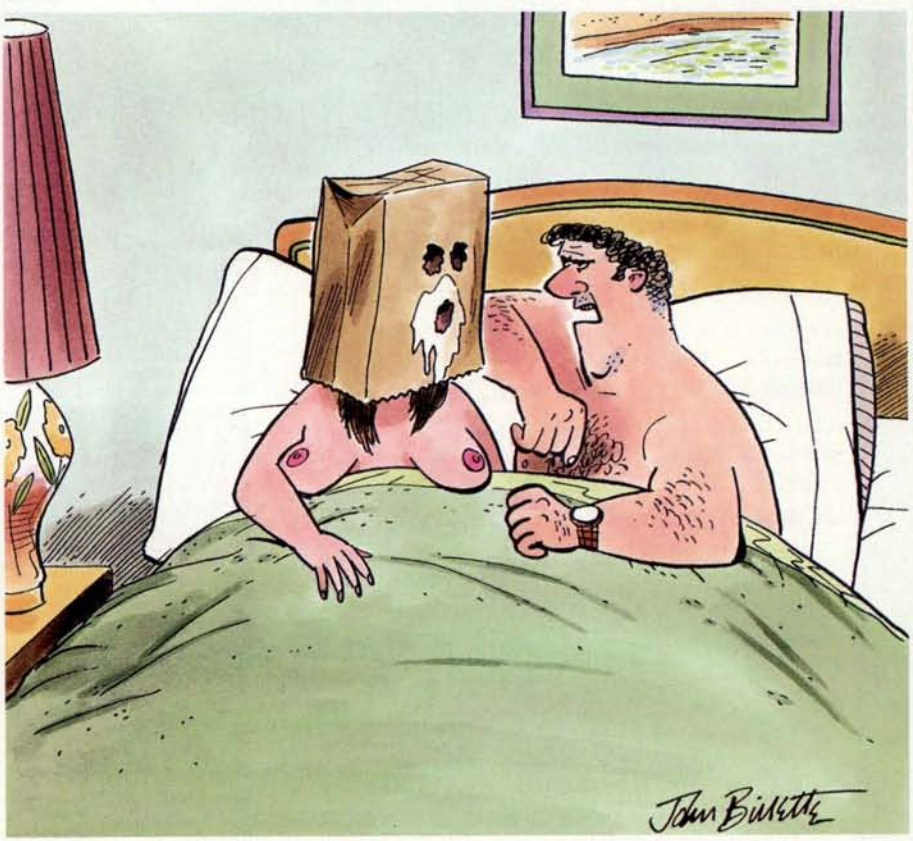
I decided I'd track down the skanky whore Garrett was fucking and teach her a lesson. I already knew who it was, no doubt: the receptionist at the warehouse, Ginny. Ginny works graveyard too, and she's trouble. She has huge, blond, cum-catcher hair and wears blue eye shadow. I even knew where she lived because the nail salon I patronize is run by her sister, and she's a blabbermouth.

While Garrett snored obliviously, I silently dressed and slipped out the door. Off I screeched to the Palms Apartments, unit 301. I pounded on the door for ten minutes before Ginny answered.

"*Wha...*" the slut squinted at me through sleep-encrusted eyes.

"How do you like fucking my boyfriend, bitch?" I spat. I was a good head taller than her. I hovered menacingly over the tramp and pushed her backward into the apartment, kicking the door closed behind us. The place smelled like bacon grease and peppermint candy.

"This is my house!" Ginny cried. "I'll call the cops!"



"How many times do I have to tell you? A new bag every night!"

Ginny's tongue wriggled up my hole and darted against my clit. I rocked back and forth on her outstretched tongue.

"Oh, please," I snapped, rolling my eyes and pushing the simpering cunt onto a gold-velour recliner. Her terry-cloth robe fell open and exposed a well-formed tit, probably a B cup. Ginny scrambled to cover up, but I grabbed her wrist to stop her.

"Not so fast, missy," I said. "I want to see what my boyfriend finds so irresistible."

Frightened, Ginny gaped at me while I untied her robe and surveyed her naked body. The twat isn't half as gorgeous as me, but she's not bad for a splooge-soaked pile of white trash. Her stomach is flat and smooth; her polished legs, like the rest of her, are covered by taut, bronze skin. She might pass for classy if she'd stop teasing her hair up so fucking big and ease up on the frosty, pink lip gloss. Dumb slut.

"Does Garrett like it when you suck his nasty cock?" I asked. "He always comes all over my ripe, luscious tits when I blow him. My tits are so much bigger and prettier than yours. Garrett likes to fuck them too."

Proving my point, I unbuttoned my blouse and unhooked my bra. My creamy DD cups tumbled forth. Ginny stared as if hypnotized.

"I see you shave your coochie bald," I noted. "So do I, but mine is pinker and more flowerlike. And I *know* mine smells better."

I wriggled out of my bluejeans and slid my white-silk panties to the floor so Ginny could see my beautiful pussy. As her eyes roamed my naked body, her fearful expression melted. The little bitch *wanted* me.

"Show me how good you are," I growled, climbing onto the recliner and squatting over her face. "Prove you're worth my boyfriend's attention. Lick my pussy and make me come."

I sat squarely on Ginny's little, pink mouth. Her tongue wriggled up my hole and darted against my clit. It made me wet, but not wet enough. I grabbed a handful of her huge, hairspray-stiff coiffure.

"Stick it out flat and let me ride it," I commanded. I rocked back and forth on her outstretched tongue.

"*Oooh, fuck*," I panted, my jill juicing like a faucet. "Tastes like fucking candy, doesn't it? Best pussy ever made. What does your little skank snatch taste like? Is it nasty?"

Ginny shook her head and grumbled into my poon. I turned around, still fucking her face, and jabbed my fingers into her ginch. Her labes were puffy and hot from being turned on. The gutter whore's slit was slippery and surprisingly tight. I stuck my gash-soaked fingers in my mouth and sucked the juice.

"Not bad," I admitted, sliding my mitt back inside her conch. I finger-fucked the twat while firmly pressing her hard, swollen clitty under my thumb. The bitch sighed and moaned, squeezing my butt cheeks. I angled my backside so Ginny's tongue slapped soundly against my quivering butthole. Without missing a beat, she burrowed the tip in my little pucker and swirled.

"You're good at eating ass," I remarked, smashing my browneye against her wagging tongue. "I bet you love to eat Garrett's stinky fucking ass. You're such a dirty slut."

Shit, I was about to come *hard*. I shoved three fingers in my buzzing vage and frigged like mad. It felt like the Fourth of July in my nether regions. I screamed as I came. My limbs shook and my eyes rolled way back in my skull. Ginny's pussy clamped around my fingers. She yelped like a piggy, her hips bucking. I collapsed face-forward into her wet, throbbing pussy, inhaling her scent and catching my breath. My slit dripped girl spuzz; rivulets trickled softly down my thighs onto Ginny's chest.

I sure showed her. That tramp will never fuck Garrett again, no sirree. See, I've taken a graveyard bookkeeping shift at the warehouse. When I have spare time, I march over to the receptionist's booth and sit on Ginny's face. She's my bitch now, and Garrett isn't getting pussy from either one of us. Revenge is sweet as pie. —M. H.

Dear Slut

Jeanna Fine Tells the Fucking Truth

Let Her Rip?

I'm dating a beautiful, blond, 20-year-old girl. We've been together for two years, and everything's been great. The only problem is that every time we fuck, she rips a long, drawn-out fart. When I'm screwing her from behind or, God forbid, eating her out, the fumes can be pretty nasty. She says that she passes gas because she's enjoying herself and she can't help it. Is my girl telling the truth, or is there another, medical problem? ***—D. B.***

Union Grove, Alabama

Flatulence, coital and otherwise, can be managed through diet. Tell your cheese-cutting gal to go easy on the pepperoni pizza if sex is on the dessert menu. Certain positions also cause air pressure to build, and cocks have been known to pump the colon full of gas during anal sex. If dietary and positional adjustments fail to work, try corking your girl with a butt plug during your bedroom romps.

Ho Remorse

My husband has a hard time keeping a job. We have two children; so I took a job at a fast-food restaurant. My paycheck doesn't cover our bills, and I've been prostituting myself to help make ends meet. I always use condoms; so the whole thing is relatively safe. My hubby still doesn't know what I'm doing, and I feel guilty as hell, but at least I'm keeping a roof over our heads. Should I continue being a part-time hooker or go back to dodging the bill collectors?

—W. T.

Kansas City, Missouri

It's noble of you to sacrifice yourself for the sake of your family, but selling your snatch (and soul) for cash is not the way to go. I have no beef with prostitution, but victimizing yourself and being dishonest to your loved ones is another matter. You need to stop immediately. Reassess your situation and try anything else, excepting that which will cause more harm or land you in jail. The risk of losing your family, freedom and self-respect far outweighs the convenience of making rent on your back.

Reluctant Dyke

I'm a sexy mix of African American and American Indian and also a newly "out" bisexual woman. Lately, I've been having coffee with a gorgeous acquaintance. I have a suspicion that she's curious about me as well, but I'm afraid to make her uncomfortable. What should I do? I'm dying to taste her twat, but don't want to come off as a perv. ***—E. J.***

Brooklyn, New York

Play it cool. Slip hints during conversations. Take her to a hip dyke bar and see how she responds. If all signs point to "yes," go for it. Don't jump her bones or try to loosen her up with liquor, as these ploys will only cause regret and awkwardness in the morning. There's nothing better than having a girlfriend to take shopping, play dress-up with and undress afterwards. That's all the more reason to proceed cautiously and not botch your courtship for a quick mouthful of snatch.

A Screw for a Screw?

While I was in jail a few years ago, my wife cheated on me. She wants me to screw around on her now to even the score. Honestly, I'm not all that interested in committing adultery. Besides, since my mate's practically begging me to fuck another woman, it wouldn't be the same as her behind-my-back escapades. That leads me to suspect that something else is going on. Is my wife looking for a way out of our relationship, or is she just trying to assuage her guilt? ***—S. B.***

Mount Olive, West Virginia

You may not like hearing this, but I believe that your relationship is preparing to shit the bed. Consider the possibility that the two of you may be happier and better off on your own. The adage "once a dog, always a dog" applies to bitches as well. If you can't trust yours, you might want to put her up for adoption. Another alternative would be to "cheat" by making it a threeway. At least you'd have a great story to tell the fellas at work.

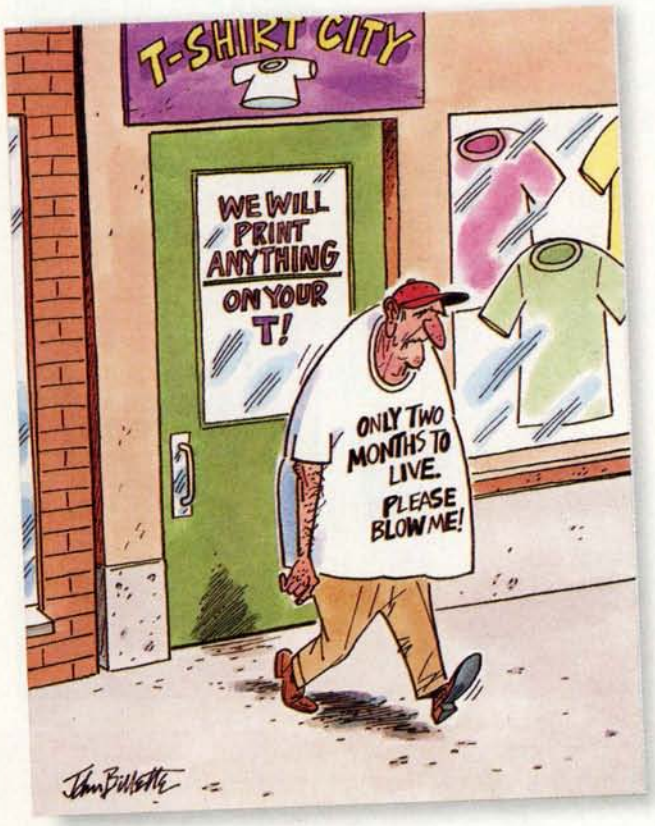
Armchair Slut

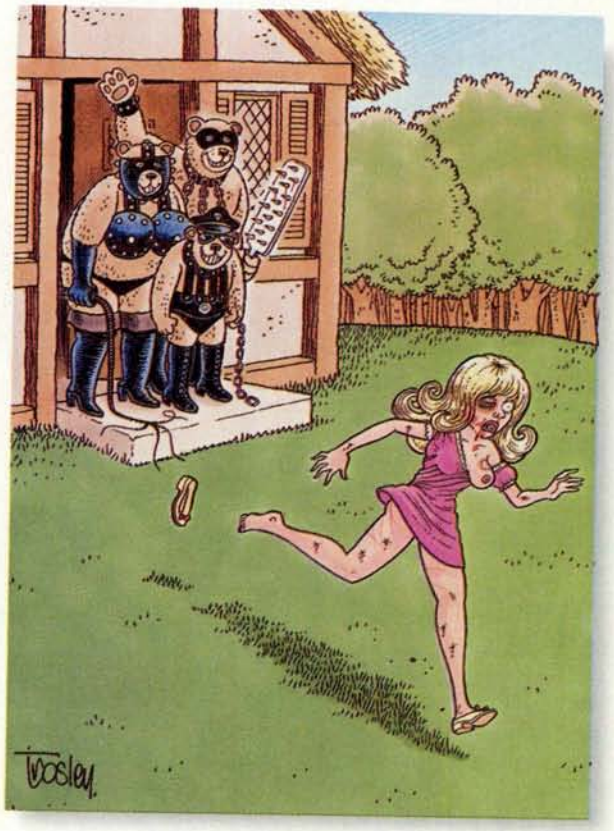
I'm a 19-year-old, single female. I've masturbated the same way all my life: I hump the arm of a couch or the corner of a dresser. No other way works! I've been with about 20 guys since the age of 14, and not a single one of them has ever given me an orgasm. I usually have to masturbate afterward. Now that the sofa is the only man in the house, I usually get off two to four times a week. I enjoy humping the furniture, but what can I do to enjoy sex more? ***—A. V.***

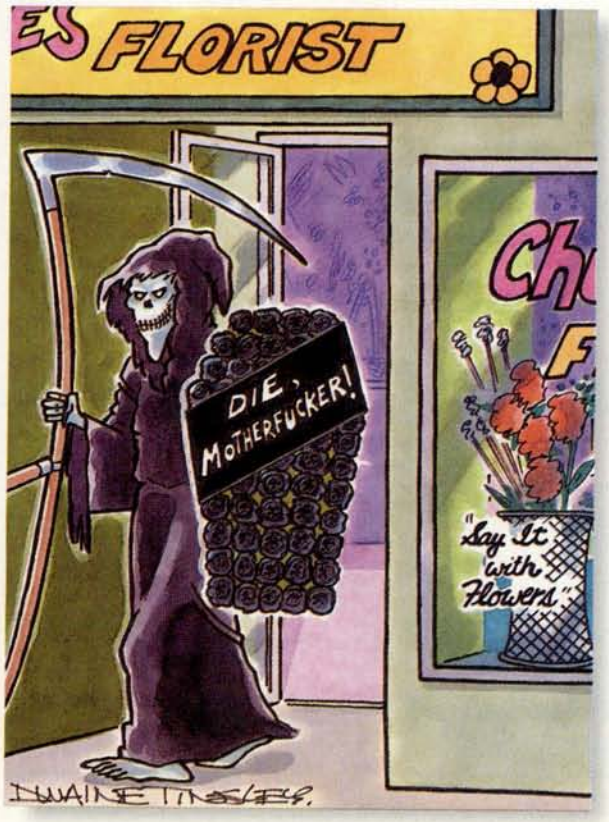
Jacksonville, Florida

Since the pressure of clitoral stimulation pushes your buttons, I recommend using

HUSTLER classic cartoons







"Monique? She's around the corner blowin' chunks."

Dear Slut

"When my girlfriend and I have sex, she says it feels like she has to pee. When she relaxes and goes with the flow, she pisses all over me."

the cowgirl position or any configuration in which you control the motion when you're humping a man. Don't give the sofa to Goodwill just yet. It's always a good policy to take orgasms wherever you can find them. For some really good vibrations, try mounting the washing machine on spin cycle.

Shut Out

My girlfriend and I recently had a threesome with one of my friends. I picked the other guy because I knew that my package is bigger than his and my girlfriend thought he was cute. The sucky thing is, the supplemental stud bogarted my girlfriend the whole night. She did things with him that I've been begging her to try for a long time. She even shaved her beaver (a first) and bought a slutty new dress for the occasion. When I recommend that we try a threeway with a girl, she says no way. She's all for another dude though. Why did she loosen up so much with the other guy, and why does she refuse to let another chick into our bed for my benefit?

—L. M.
via Internet

There are three rules when it comes to threesomes: Always pay more attention to your mate than the newcomer; never come with the third wheel; and, when it's time to fall asleep, make sure your lover is in your arms. Your self-centered girl has broken all three maxims. Some relationships just aren't cut out for swinging. It takes an extremely strong and secure couple to survive open sex sessions. Keep your sex life simple if you're tired of the complications that come with breaking taboos. If you must continue to swing, insist that your buddy bring a chick along so that you aren't left out in the cold.

Breaking the Seal

I can't seem to make my girlfriend's virginity go away. Whenever I try to break her cherry, the idea of the blood and the pain makes my hard-on fade. We're perfectly active otherwise, but when it comes to busting my girl's hymen, I can't keep it up. I never had erection problems with my last girl. Then again, she was already broken in when we hooked up. Can you please advise?

—R. D.
via Internet

When your girl's maidenhead finally splits, the flow, in all likelihood, will be tiny, and with the pain will come exquisite pleasure. Remember to be kind and considerate to help make the moment special. Use a lot of foreplay, protection and lube. Create a relaxed environment so that the pressure won't go to your head and ruin your bone.

Wet Blanket

When my girlfriend and I have sex, she tells me that it feels like she has to pee. When she relaxes and goes with the flow, she winds up pissing all over me instead of having an orgasm, which completely mortifies her. I don't mind playing a human fire hydrant, but I want her to enjoy sex and have fun. Does she have some kind of disorder that can be treated, or should we invest in rubber sheets?

—E. R.
via Internet

No home should be without rubber sheets. Mattresses are expensive, and if you're having sloppy sex, plastic protection is the best way to save your bed. Either your girl's orgasms are so awesome that she can't control her bodily functions or she's a secret piss-hound and takes shameful pleasure in having "accidents." Either way, waterproof your love nest.

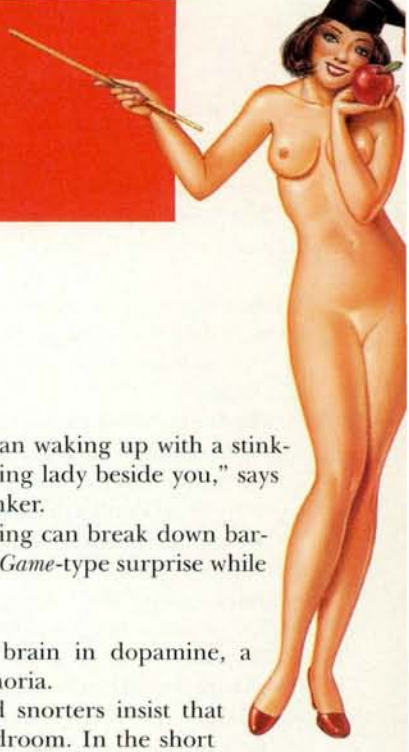
The ABCs of Erotic Alchemy

A User's Guide to Mixing Sex and Drugs

by David Brown
Illustration by Jessica Esteves



Throughout the ages, thrill-seeking rapture junkies have experimented with various mind-altering herbs, drugs and tinctures to enhance sex. The quest for a reliable aphrodisiac is probably as ancient as Adam's lust for Eve, but not every love potion succeeds in promoting bigger and better penetrations. In fact, using drugs can result in death, unshakable addictions, impotence and long jail sentences, all of which run counter to the goal of getting off.

Today's fucker has a dizzying array of pharmacological resources to choose from. HUSTLER talked to health-care experts, drug users and abusers from across the country to compile this guide to better loving through chemistry.

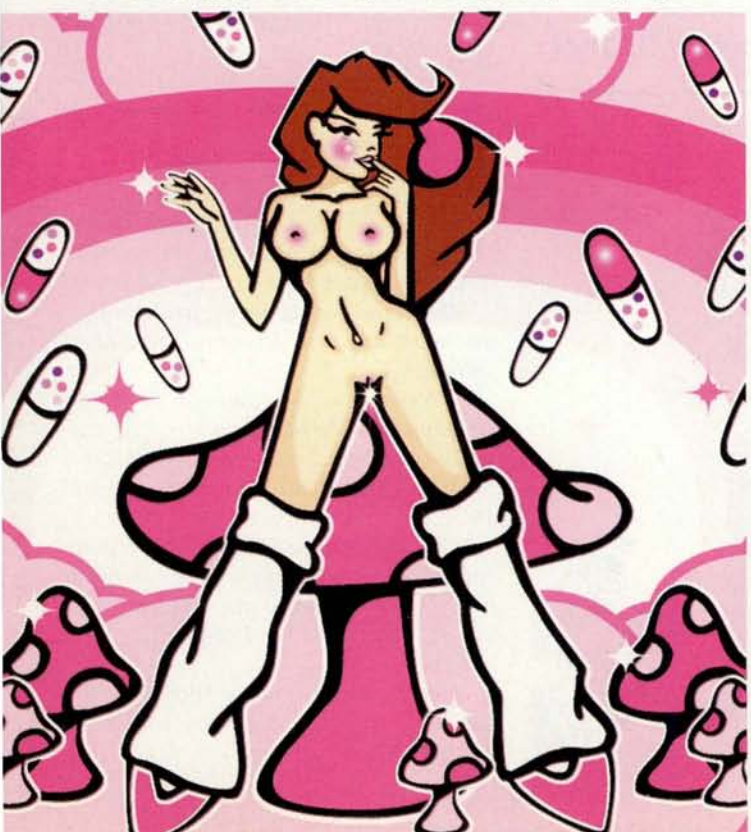
* * *

ALCOHOL: The use of alcohol goes back to a mention in an Egyptian papyrus dated 3500 B.C.

The Good News: Booze relaxes inhibitions, enhancing a tippler's chances of sweet-talking an equally sloshed female into bed.

"With alcohol, sexual desire generally goes up," says Hyla Cass, M.D., professor of psychiatry at the UCLA School of Medicine and author of *St. John's Wort: Nature's Blues Buster*.

The Bad News: Alcohol tends to cripple motor skills (and, famously, cause erectile dysfunction), along with judgment.



"Few things can be worse than waking up with a stinking hangover to find an appalling lady beside you," says Big Willy, a beer-and-cider drinker.

The Verdict: Moderate swilling can break down barriers and help prevent a *Crying Game*-type surprise while leaving hard-ons intact.

COCAINE: Coke bathes the brain in dopamine, a chemical that gives rise to euphoria.

The Good News: Dedicated snorters insist that cocaine has its place in the bedroom. In the short term, nose candy increases desire and sensation.

"Coke brings energy and sensitivity to sex," says Zelda, a libertine from London, England. "Coke makes me much less inhibited. If I want to pee on my lover, the piss just comes out—easy peasy!"

The Bad News: Cocaine's anesthetic properties often make ejaculation nearly impossible. In addition, blow taxes the heart, meaning erotic encounters on cocaine may be short-lived.

"You can only push the feel-good chemicals so far before you burn out your capacity for these," says Dr. Hyla Cass. Also, even sturdy erections may have trouble withstanding coked-out chick babble such as "easy peasy."

The Verdict: Coke adds life, but developing a tolerance is a bitch. Same with heart attacks.

DHEA: DHEA, a nutritional supplement available at most health-food stores, mimics male hormones, including testosterone.

The Good News: More testosterone means more boners.

"DHEA not only makes me horny as hell, but it boosts my thinking ability; so I'm much smoother at seduction," testifies Jerry, a 47-year-old horndog from Houston, Texas.

The Bad News: Long-term use by women can result in acne, increased body hair and muscle growth.

The Verdict: DHEA pumps men up, but tends to give women the Bulgarian weight-lifter look.

ECSTASY: Ecstasy heightens feelings of pleasure and well-being by artificially raising levels of serotonin, a brain chemical.

The Good News: Ecstasy stokes sentimentality. Women say they orgasm more readily on "E."

"Sex is great with ecstasy," says George, a 34-year-old musician in San Francisco, "but it has to be when you're in the process of coming down, so you can maintain enough focus to have sex."

The Bad News: People on ecstasy may feel lovey-dovey, but not particularly horny.

"[Ecstasy] affects sexuality by enhancing communication," says Dr. Cass, "but many men have difficulty getting or

"People who are high on methamphetamine often become extremely sexually aroused, and both men and women will masturbate for hours."

sustaining an erection."

The Verdict: Fuzzy cuddling isn't as fun as hard-core fucking.

GHB: Originally developed as an anesthetic, GHB was used by body builders as a growth-hormone stimulant until it was banned in 1990.

The Good News: Creates a woozy feeling by flooding the brain with mellowing neurotransmitters. Considered by many users to be a potent aphrodisiac.

"I think the sexual effects are primarily due to [GHB's] mood-enhancing qualities," says Ward Dean, M.D., coauthor of *Smart Drugs and Nutrients*.

The Bad News: Take too little, nothing happens; take too much, pass out. Sometimes causes blue labes in female users.

"GHB makes me extremely horny, but I have trouble reaching orgasm on it," says Sherry, a 31-year-old musician from Colorado. "Sometimes I'll wake up the next day with my vibrator still buzzing."

The Verdict: Always read the label.

HEROIN: A narcotic derivative of the opium poppy. Binds to endorphin receptors in the brain, where it blocks pain and creates euphoria.

The Good News: See above.

The Bad News: Junkies usually don't feel much like fucking.

"When I was doing heroin, the drug effectively eliminated any vestige of sex drive that may have ever existed for me," says Linda, a 39-year-old neuroscientist in Los Angeles.

The Verdict: Heroin use leads to abstinence, making it a "safe-sex" drug; too bad sharing needles spreads AIDS.

LSD: This potent hallucinogen affects moods and emotions, and distorts electrical messages in the brain.

The Good News: Wide-eyed users rave about timeless sessions of exquisitely heightened sex.

"The very best sexual experience I ever had in my life was with LSD," says Dignity, a 19-year-old student from Alaska. "It allowed me and my boyfriend to transcend our separate bodies and become one sensory being."

The Bad News: A bad trip while fucking could leave psychological scars and make sex an unpleasant memory.

The Verdict: Users who don't trip their balls off will enjoy acid sex.

MARIJUANA: Wacky Tobacky is an all-natural high, leading many pot smokers to lobby for legalization.

The Good News: "Because of its ability to enhance sensory sensations, some people find that [marijuana] has aphrodisiac qualities," says Dr. Cass.

The Bad News: With weed comes paranoia, the munchies and a higher likelihood of forgetting your partner's name.

The Verdict: Grass is a reliable, if unadventurous, sex drug.

MUSHROOMS: As with LSD, the psilocybin in "magic" mushrooms triggers powerful hallucinatory trips.

The Good News: Shroomers report enhanced sensitivity and a blurring of physical boundaries.

"You become not one man, but all men; and you are not fucking one woman, but all women," says Dr. Robert Anton Wilson of Santa Cruz, California.

The Bad News: Your partner may not be into group sex. Some men have trouble reaching orgasm on mushrooms.

The Verdict: No one likes to fuck when their partner's face is melting.

PROZAC: As with ecstasy, this popular antidepressant alters serotonin levels.

The Good News: Prozac makes it hard to come; so it's ideal for premature ejaculators.

The Bad News: Frigid chicks have a better excuse than, "I have a headache. Get off me."

The Verdict: Prozac lifts spirits at the expense of the libido. Antidepressants are antisex.

SPEED: Speed, a/k/a methamphetamine, was developed by Hitler's scientists to keep World War II soldiers awake and alert.

The Good News: Speed freaks report an increased sex drive and amplified sensations.

"People who are high on methamphetamine often become extremely sexually aroused, and both men and women will masturbate for hours," says Dr. Cass.

The Bad News: Chafing. "I've gone for what seemed like days, without being able to have an orgasm with speed, which gets kind of painful," says George.

The Verdict: Good for Indy 500-type fucking: fast-paced, long-haul and likely to end with a crash.

"He was a lousy rapist, Yer Honor. I had to suck him hard both times!"

The Ruthless Trade in International Sex Slavery

Report by
Reni Lagorio

Photography by
Ladi von Jansky

Women and children around the world today are being forced into prostitution

by smugglers who traffic in bruised flesh for the global meat market.

In 1998, when Nathalie, a 21-year-old brunette from the Ukrainian provinces, answered a newspaper ad looking for "single pretty girls," she was unaware of the hellish ordeal that awaited her. Nathalie had just moved from a small agricultural community to the grim coal-mining city of Donetsk in search of work, and she was excited by the prospect of parlaying her buxom farm-girl looks into a decent living. ►

Sex Slaves

After a brief job interview with an affable young man named Andryi, Nathalie was offered work as a cocktail waitress in, of all places, a Russian nightclub in New York City, where she would earn $600 per month, plus tips—an enormous sum for a poverty-stricken Ukrainian. Andryi offered to obtain a visa for Nathalie and to advance cash for a plane ticket to America; the girl was told she could pay back the money after she had settled down in New York.

"I was so happy, I cried," Nathalie recalls, speaking through an interpreter. "We were always so poor growing up, and now I was going to America. I couldn't have dreamed of anything better."

Two months later, Nathalie could barely contain her joy when she stepped off an Aeroflot jet at John F. Kennedy International Airport in New York. She was met by a Russian hulk who drove her to a dingy basement apartment in what she later learned was the borough of Brooklyn. There, Nathalie's dreams of a better life were shattered in a matter of minutes.

"I was presented to a man, Yevgeny, and he said he owned me," Nathalie recollects. "He said he would rent me to other men. At first I explained I had been hired as a waitress. That's when the other man, the driver, struck me in the back of the head."

The two Russians proceeded to beat and rape Nathalie. The thugs left her handcuffed to a radiator.

In the seemingly endless months that followed, Nathalie joined two other Ukrainian lasses in a dark, windowless room where each was forced to turn as many as ten tricks a day—mostly without a condom. Nathalie became pregnant twice, and each time was made to undergo a back-alley abortion.

A 1999 CIA briefing estimates that between 45,000 and 50,000 women and children are trafficked into the United States alone each year.

Eventually, Yevgeny's ramshackle bordello was raided by the New York City Police Department. Nathalie and her fellow captives were arrested and turned over to the Immigration and Naturalization Service (INS).

Held at an INS detention facility, Nathalie was shuttled through legal proceedings she barely understood. Some six months later, she was unceremoniously deported back to Ukraine.

"What made it so much worse was that Immigration treated me like *I* was the criminal," Nathalie says.

* * *

Nathalie's story is merely one of many examples in the startling international resurgence of what once was known as "white slavery." Today, this phenomenon is referred to as "human trafficking," and describes the act of shipping women and children from one country to another for sexual exploitation or forced labor.

Laura Lederer, of Protection Project, a program affiliated with Johns Hopkins University, has spent almost four years combing through international police records in an effort to track the primary routes of contemporary human trafficking. Lederer says the international sexual exploitation of women and children during the past ten years is on a par with the African slave trade during the 16th and 17th centuries.

"The minimum number of African slaves transported here was between five and six million," Lederer says. "There is no doubt that world trafficking [in sex slaves] now is around that number."

According to a 1999 Central Intelligence Agency briefing, *Global Trafficking in Women and Children: Assessing the Magnitude*, between 45,000 and 50,000 women and children are trafficked into the United States alone each year (they are typically issued fake visas or hidden in packing cases), only to be held in various forms of bondage.

The majority of this human contraband originates from Asia, most often China. Future geishas are usually smuggled into California, through the bustling ports in Los Angeles, Long Beach and San Pedro. Smaller shares of chattel come from Latin America and Eastern Europe.

The specter of modern-day bondage would seem to contradict today's era of dazzling technological breakthroughs and the spread of democratic ideals around the globe. Ironically, the slavery boom can in part be attributed to globalization, and the porous borders it creates, along with the widening gap between rich and poor nations. Importing and exporting female sex slaves is extremely lucrative.

"Human trafficking is the third-highest illegal-income *(continued on page 78)*

Lucy and Dania

"Don't give me your prissy bullshit," snarls Lucy, digging her knuckles into Dania's parched slit.

"Open up that cunt!"

"It stings!" *whimpers Dania, straining to unleash a golden shower and free her raw gash from Lucy's jabbing grip.*

"Come on, piss for me!" *demands Lucy, lapping at Dania's fleshy fold.*

"Don't talk, or I can't go!" *Dania pleads. The pee-thirsty sluts grapple with each other's slits, coaxing the hot yellow streams until their floodgates open. Groaning in unison, they prove that even dykes know a cunt's not worth eating unless it's wet.*

Sex Slaves

(continued from page 68) source in America today, behind drug- and gunrunning," says Kansas Senator Sam Brownback, the cosponsor of the Victims of Trafficking and Violence Protection Act of 2000, an antitrafficking bill recently passed by Congress and signed into law by President Clinton. "The dark side of human trafficking is that, unlike drugs, [sexually enslaved] human beings can be resold and reused, thus making them a more profitable commodity."

Slave peddling is not only profitable; it's also less risky than other criminal ventures. Critics contend that overseas law-enforcement agents simply look the other way when it comes to trafficking.

In many nations, from Thailand to the United States, the penalties for drug-running are much harsher than those for buying and selling human beings, according to the International Justice Mission, an antitrafficking group. A two-year study by the human-rights group Global Survival Network found that police in Southeast Asia often collaborate with flesh brokers in return for kickbacks.

Aside from human-rights and law-enforcement concerns, trafficking has exploded into a public-health nightmare. According to studies cited by Senator Brownback, some two-thirds of sex slaves around the world contract AIDS or tuberculosis.

The existence of sex slaves in the United States was a dirty secret until very recently. In 1997, three men were convicted of kidnapping a 22-year-old woman in China and renting her out to johns in Los Angeles. The girl's captors regularly beat and raped her, burned her with cigarettes and tattooed her with gang symbols before she finally escaped.

In 1999, authorities cracked an Atlanta ring that imported between 500 and 1,000 sex slaves—some as young as 13 years old.

In 1999, authorities cracked an Atlanta-based racket that imported between 500 and 1,000 sex coolies—the youngest of which were only 13 years old. Janis Gordon, an assistant U.S. attorney for the Organized Crime Task Force in Atlanta, says the syndicate recruited women abroad and smuggled them into the United States for sex work. The females would be held as virtual captives for as long as it took them to work off the $40,000 fees they were charged in exchange for admittance into the land of opportunity.

The forlorn immigrants in the Atlanta case were parceled out in a nationwide network of brothels, where the girls had to spend years flat-backing their way out of "debt bondage."

A federal affidavit describes one such house in the Atlanta area as a "prison compound," complete with barbed wire, attack dogs and gang members as guards. Inside, the slaves serviced clients on mattresses separated only by curtains.

According to Janis Gordon, some of the women in the slave ring knew they were headed for sex work, but others told investigators they were promised jobs in massage parlors and sweatshops.

In a similar case last September, police raided whorehouses in Las Vegas, Los Angeles, Minneapolis, Boston and New York as part of a two-year federal effort to break up a major Las Vegas-based trafficking ring. Prosecutors claim the group advertised its sex shops to visiting Asian tourists and businessmen through a Hong Kong travel agency.

Even as the feds attempt to dent the sex-slave trade, it appears that debt bondage has become a ubiquitous—and possibly entrenched—fixture of the underground sex industry in America. Just ask Dennis Hof, who recently toured some of New York City's cut-rate import shacks.

As the owner of the Moonlight Bunny Ranch, a fully legal Nevada cathouse, Hof hardly qualifies as a wide-eyed rube. Nevertheless, he confesses his astonishment at the volume of business being conducted in the "fast-houses" along Roosevelt Avenue in Queens. Tucked away in numerous second-floor apartments, Hof says, a veritable United Nations of indentured cooch dishes out full-service sucking and fucking at $25 a pop.

"It's just crazy," Hof says. "I mean, that's like the 29¢ hamburger at McDonald's."

Even as Hof describes the working girls on Roosevelt Avenue as "sweet and not as hardened as the real pros," he concedes that most are also a long time away from repaying contracts worth between $5,000 and $25,000.

"The girls do about ten to 15 tricks a

day, and get $13 out of every $25 to pay down their debt," Hof reports. "But their bosses do charge them for room and board, and any other expense they might run up. So, depending on the amount they owe, it takes them at least a couple of years to earn back their freedom."

* * *

There is nothing new about sex trafficking. During the second world war, the Japanese army forced thousands of captive Korean females to serve as "comfort women" for its troops. Decades later, dealing in human beings began to flourish in Thailand and the Philippines, first catering to American servicemen involved in the Vietnam War, and later as part of the burgeoning sex-tourism industry.

Today, flesh peddling is a highly sophisticated criminal enterprise. Accordingly, the patterns of the international slave trade have become increasingly complex. In Asia alone, India brings in sex drudges from Bangladesh and Nepal; Thailand imports shut-in sluts from Burma and Vietnam; and Japan makes room for sex slaves from just about every other nation in the region.

Since the 1990s, the hottest commodities among slavemongers have been Slavic women from Russia, Ukraine and other Eastern European nations. In what has been dubbed the "Natasha Trade," the Russian mafia ferries captive women in droves to the U.S., Canada, Japan, Holland, Germany, Italy, Turkey and Israel.

The latest addition to this list of destinations is Kosovo, where Albanian pimps have set up Natasha-stocked brothels to indulge the urges of the peacekeeping forces in that war-torn province.

The hottest commodities among slavemongers are Slavic women from Eastern Europe. "They're blonde, pretty and desperate—they'll do anything for money."

Why this near-universal demand for Slavic fleshpots? "They're blonde and pretty, and they have blue eyes," offers Binyamin, the owner of a Slav-happy "health club" in Tel Aviv, Israel. "And they're desperate—they'll do anything for money."

"Following the collapse of the Soviet Union, poverty and joblessness made young women easy prey for the organized-crime syndicates in Russia and Ukraine," explains Anna Shevchenko, a relief worker for a Kiev-based agency that helps trafficking victims. The most common way in which these slave dealers lure their marks is through phony job offers, Shevchenko says. In other cases, new recruits are told in advance that they will be "escorts."

Even so, it's hard to draw the line between the "voluntary" and "forced" forms of indentured whoring, claims Priscilla Alexander, the president of the North American Task Force on Prostitution and a longtime advocate for sex workers' rights.

"In a lot of cases, you have people who knew they would be hookers, but still expected to have some freedom of movement," Alexander says. "But once they arrive at their destination, their passports are taken away, and they're put under house arrest."

Dennis Hof opines that the fast-house chippies he saw in New York were hopeful immigrants, not con victims. "They want to stay in America, and that's why they do it," Hof offers. "They're the Christopher Columbuses of pussy."

Hof's outlook is sharply disputed by a former Department of Justice official, who asks not to be named. "It's really not possible to give informed consent in that kind of situation," the official says. "Especially when half of the people who are trafficked for sex are minors."

Anna Shevchenko notes that many victims, being poor, naive and despondent, feel that they have no choice but to leap at any job offer, even if it means putting out.

"I've talked to girls who have been deported back to Ukraine, and several of them said that even if they could have escaped, they probably wouldn't have," Shevchenko relates. "One girl said, 'What would I do then? Go back to the bread lines and work in a factory for no wages?'"

Dennis Hof believes the black cloud of sex slavery that has moved across America in recent years has a silver lining.

"Personally, I think debt bondage is disgusting and uncivilized, and that the people running it should be put in jail. But you can't blame the girls for wanting to come here, screw for a few years and then get a $7-an-hour job as a maid," Hof says. "Compared to the places they're coming from—where people have to live *(continued on page 121)*

Norm went to a doctor for his migraine headaches. "I've tried everything," he moaned, "but nothing helps."

The healer said, "I have migraines too. When I feel one coming on, I go home and soak in a bath. I have my wife sponge me with hot water, especially over the brow. Then I take the old lady to bed and, even if my head is killing me, I force myself to have sex with her. Works like a charm. Give it a try."

Six weeks later, Norm returned and shook the doctor's hand. "You did it!" the patient cheered. "Seventeen years of migraines, and now I'm cured!"

"Glad to help," smiled the physician.

"By the way," Norm added, "you have a really nice house."

Question: Why do shepherds take their flocks into the mountains?

Answer: It's the only way the sheep will push back.

A blonde walked into a bar. Sitting down, she sensed some movement out of the corner of her eye and turned to find a monkey on the stool next to her.

"Sweet Jesus!" the girl yelped in surprise.

The bartender rushed over. "Don't mind him," he said. "He does a really neat trick. Watch!"

The barkeep whacked the animal over the head with a bat. The creature shuffled behind the bar and gave its owner a blowjob. As soon as the barman came, the blonde clapped her hands. "That's great!" she laughed.

"Wanna try it?" the bartender asked.

"Sure!" the girl said. "Just don't hit me too hard."

The HUSTLER Dictionary defines *lesbian gun club* as: Militia Etheridge.

A newlywed couple were spending their honeymoon in a remote log cabin in the mountains. The lovebirds checked in on Saturday and weren't seen for five days.

The elderly woman who ran the resort became concerned and went to check on the reclusive guests. The old gal trudged out to the cabin and found the ground littered with discarded condoms. "Hey, in there!" she called, knocking. "Are you young folks all right?"

"Yes, we're fine," a weak voice answered from inside. "We're living on the fruits of love."

"Fruits of love?" the manager repeated. "That's cute, but quit throwing your peels out the window. The ducks'll choke on 'em."

"Julie, I should probably tell you," Gloria said to her friend at work. "Mike, that guy in accounting you were dating, asked me out."

"Listen," Julie hissed. "That bastard will buy you a big dinner, then talk his way into your apartment. Once he's in, he'll rip off your dress, throw you against a wall and fuck you hard. After that, he'll pin you on the floor and bang your butt for a while. Next, he'll handcuff you and slap your ass until you blow him. To complete the evening, he'll pull out and come on your face."

"Oh, shit!" Gloria yelped. "What should I do?"

"Wear an old dress."

Question: Why didn't God put taillights on sperm?

Answer: So men could tell the difference between a slut and Las Vegas.

Merle hired a private detective to tail his wife. A week later, the dick returned with a video of the suspect spouse's activities.

The husband saw his suspicions confirmed. There was Doris with another man, laughing in the park. The video showed the two slipping into a swingers party, then emerging at dawn, drunk. To Merle's astonishment, the bleary wife threw up in a parking lot. Then the couple sneaked behind a truck. The man tied Doris off and shot heroin into her arm while she gratefully massaged the guy's crotch.

The gumshoe cleared his throat and switched the machine off.

"I just can't believe this," the jilted man said.

"Believe it," the detective assured him. "This happens all the time."

"Sure," Merle replied, "but who knew my Doris could be so much *fun*?"

The Gigolo Blues

A hot-blooded stud who seeks employment as **a male escort stands a very good chance of being screwed—** *but not by a lonely housewife with an itch that needs scratching.*

Lament by William Campbell,
as Told to Dan Kapelovitz

Illustration by Jaime Hernandez

Two weeks after I landed my dream job—packing X-rated videotapes into shipping crates at a warehouse in California's San Fernando Valley—I was fired for what my asshole boss called "property theft." Ridiculous. While it was true that I was caught loading up the trunk of my car with blowjob videos, any normal person would take it for granted that free porn is a fringe benefit of a low-wage job at a XXX production facility.

Male Escorts

Pink slip in hand, I trudged home to my crummy apartment on Van Nuys Boulevard, deep in despair. I had $950 in the bank. How was I supposed to pay my rent, stay off bread lines and keep feeding hard-core porn into the insatiable slot in my VCR?

I dutifully picked up a local weekly newspaper, and as I flipped through the HELP WANTED ads, I spotted a job notice that looked for all the world like a ticket to an even higher level of nine-to-five Nirvana than working in a smut factory:

"MEN WANTED! MAKE MONEY providing INTIMATE SERVICES to lonely ladies. $500-$750 per week possible. We also provide names, addresses and photos. Send $1 for info to Royce, Attention Lori."

Why should women take all of the good prostitution jobs? I thought. I'd wasted my sexual prime working shit gigs when I could have been making good money fucking lonely ladies, just like Richard Gere in the film *American Gigolo*. It floored me that escort work hadn't occurred to me before. With my charm, good looks and not-so-Protestant work ethic, I was born to slave over a hot snatch for a living. I sent Lori my dollar—a small price to pay for a new career. I now had $949 to my name.

* * *

Every day for a month, I checked the mail for something from Lori. Instead of a passport to male whoredom, a tidal wave of junk mail flooded my mailbox. One offer hawked a book on how to pick up chicks at the supermarket; another dangled a list of Russian women looking for western husbands; a third was for a manual on how to start a nude photography business. One colorful packet came from a place called Toni's Love Emporium, with a sales pitch for Attractant 10, "the scent that attracts women without them knowing it."

A jaded female voice answered the escort agency's phone. "Do you do men, honey? Ninety percent of our business is male-for-male."

While I was willing to invest some cash in my male-whoring career—after all, it takes money to make money—I wasn't dumb enough to buy a love spray. Lori seemed to have spread the word that I was a chump who was desperate enough to suck up any product or service that promised to score me some pussy. I shot off an angry letter to Toni's Love Emporium, explaining that I wasn't some gullible rube, and I wrote to Lori, demanding that she send me "info," as promised.

Lori's slow response gave me time to think about the consequences of whoredom. *Is escort work illegal?* I wondered. *Do the cops crack down on male prostitution?* I called the Los Angeles Police Department and talked to an officer in the media-relations department; he thought a gigolo's chances of being tossed in the cooler were pretty slim.

"I heard of mostly female escort services possibly involved in some sort of prostitution sort of deal," said the flack cop. "Even that's not a big problem, because we don't have any victims. No one is going to call up and say, 'Yeah, I hired this escort service, and she gave me a good time.' Would you report that if you were the person?"

Since the likelihood of my being arrested in a vice bust was next to nil, I decided to try my luck at finding escort work by way of the local Yellow Pages. I opened the book to "Escorts" and found an agency that is "always hiring." As I dialed the toll-free number in the ad, I noted with satisfaction that the service hired both male and female tarts. A jaded female voice answered my call.

"I'd like to apply for a position as an escort," I said.

"Do you do men, honey?" the woman asked. "Ninety percent of our business is male-for-male."

"Doesn't that mean that 10% of your business is women who are looking for men?" I pleaded.

"Barely. Not even that. We're lucky if it's that. It wouldn't even be worth it to hire you."

All of the escort agencies I called out of the phone book told me that the "clients" I would be "servicing" would be gay men. No homo, I returned to the escort listings in the back of my local alternative newsweekly, where I originally read about Lori and her lonely ladies. There was no shortage of places that were hiring men for apparently nonhomo escort work.

"MALE ESCORTS AGES 18-45 NEEDED for area women. $1,000+ per week. Full or part time. No experience necessary. WorldAxis Professional Resources."

"You know how you bring girls home for me to fuck, and complain that I never bring home any guys for you?"

Male Escorts

WorldAxis listed a toll-free number; so I called them right away. A prerecorded message informed me that an "adult-services program" would provide me with a "verifiable income opportunity that is guaranteed to be mutually beneficial to both you and the women who you service." The price was a mere $34.59 (plus shipping costs).

Fortunately, I hadn't paid my rent in two months; so I had some cash reserves. Even so, buying food and renting X-rated videos had whittled my savings down to $638. The expenditure of 40 bucks would hurt, but I was anxious to start screwing for a living. Besides, the WorldAxis program was "guaranteed." Since I was new to the male-prostitution game, it made sense to learn as much as possible about the business. After all, I could make my money back with just one date. I mailed away the moola.

In less than a week, the "WorldAxis Professional Resources Adult Services Program" arrived in the mail. My pulse raced as I tore open the thick manila envelope. My euphoria was short-lived.

For my $34.59 (plus shipping costs), I now owned ten pieces of paper stapled together. To be fair, WorldAxis is in the business of selling information, not sheets of paper, and the ten pieces of paper did have writing on both sides.

However, the writing befuddled me. It made no sense that a primer on how to break into the escort business advises gigolos to turn down sexual advances from their tricks. If a potential client insists on having sex, WorldAxis recommends that the escort demand a $20 cancellation fee and leave immediately. Other pearls of wisdom include "maintain a professional appearance" and "understand the art of conversation."

The "WorldAxis Professional Resources Adult Services Program" arrived in the mail. For my $34.59, I now owned ten pieces of paper stapled together.

To earn WorldAxis's advertised rate of $1,000 per week, I would have to rack up 50 cancellation fees every week, which seemed like a lot of work.

The final page of the ten-page packet was a seven-step guide to "Getting started as a male escort," but the steps were moronically basic:

1. Determine hourly rate.
2. Plan advertising strategy.
3. Establish voice-mail service.
4. Place ads.
5. Check voice mail.
6. Focus on establishing and maintaining the most desirable clients.
7. Look for ways to build and expand business.

* * *

Six weeks had passed since I first decided to rent my genitalia out to libidinous females. The Yellow Pages and the WorldAxis guide were both duds. I was beginning to lose hope when I finally received a letter, sealed with a bright-red, lipstick-print kiss, from the mysterious Lori. This was more like it—the dollar I had spent looked like it was going to pay off, big time.

"Some women are willing to pay men to provide them with private intimate encounters," Lori wrote. "Once you accept this unique offer, you will be part of an elite group of gentlemen who enjoy the pleasures of more women than most guys ever dream of in a lifetime."

Lori pitched an informational package on the ins and outs of male whoredom that was going to put me back about $34.90. She signed her letter, "Lustfully yours."

Something told me the $34.90 would be money well spent. Even if her how-to-be-an-escort program was a ripoff like the WorldAxis scam, Lori seemed like an easy lay. I cut a check. I had $563.10 left in the bank.

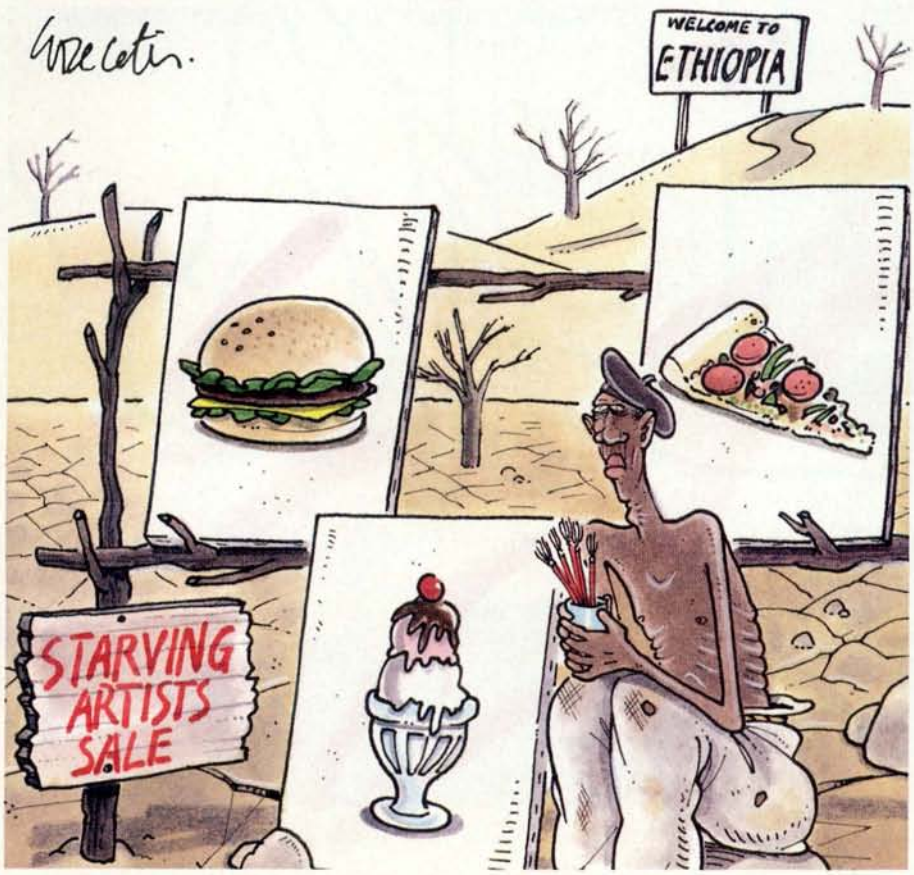
* * *

Three weeks later, I was still checking the mail for a package from Lori. Her intimate-services program was taking its time finding me, but the junk-mail stream continued unabated.

One scam came to me from an outfit in Wauconda, Illinois. For only $99, I could learn how to conduct myself at a swingers party.

"Dear sexually hungry," the letter began. "You have too much respect for yourself to waste time and money chasing hot babes for sex; you are not a loser!"

I didn't need anyone to tell me that I wasn't a loser—I already knew that. But Lori *was* treating me like a schmuck. I was fed up. Out of spite, I placed a call to the Los Angeles branch of the Better Business Bureau. An operator there informed me that five other would-be *(continued on page 108)*



"You idiot! You poked the wrong hole and voted for Pat Buchanan!"

Dru and Rick Flaunting It

Photography by Matti Klatt

"Being a rich, horny cum freak works for me," laughs Dru. "I can jet to a resort for a week of tanning and fucking the hired help, and no one can give me shit, because I foot the bill.

"People who think that I've got some jackoff sugar daddy can tongue my puckered asshole. I've always paid my own way, and guys with big bank accounts don't impress me.

All I need from a man is a nice cock that I can suck the snot out of.

"After all, Rick is just a bartender who mixes a good margarita, and I'm just a heavy tipper."

Male Escorts

(continued from page 98) escorts had lodged grievances against Lori.

"Complaints allege products were not received after money was sent," I was told. "Some callers indicate that after sending in a small fee for information, a larger fee is required to obtain a list of companies who might hire male escorts."

The evidence suggested that Lori was a crook, but my gut instinct told me that she was just misunderstood. Lord knows it sometimes takes me a long time to return letters. Lori was slow, and inefficient maybe, but certainly not dishonest. Just to make sure, I contacted the fraud division of the United States Postal Service. Much to my surprise, they too had received several complaints about Lori.

I decided to take matters into my own hands. I rode my bike to the address on Sepulveda Boulevard where I had sent my $34.95 (having traded my '77 Camaro to my landlord for the back rent I owed, I was down to two wheels). After a long bike ride, I was disappointed to find myself at the Redi-Quik Mailbox Rentals. Next to the service window was a small, laser-printed sign:

"There is no person by the name of Lori or Royce who lives here. It is mailbox #200, not apartment #200."

Playing it cool, I asked the woman at the counter how much it would cost to rent a mailbox. Then I casually asked if Lori was around.

"People don't understand the concept of a mailbox," the woman sighed.

* * *

Everywhere I turned in the gigolo world, I walked into one scam after another. I was beginning to doubt that I would ever find a woman willing to pay me for sex. I was running out of options, but I figured I could trust the escort services I found listed on the Internet.

I paid and posted my information on the Web. A couple of weeks later, not a single horny female had nibbled at my ad.

One Web site, Hoopermen (www.hoopermen.com), looked promising. They claimed that their male escorts pull down $10,000 for the average date. Hoopermen, with offices in London, Hong Kong and Los Angeles, is an online service that "provides the most handsome, intelligent and cultured male companions for VIPs and the extremely wealthy." Sounded great.

Hoopermen charges women $5,000 for a three-month membership, which includes unlimited access to the Web site's photo and biographical sections, along with a personal travel coordinator who arranges commercial or chartered jets, helicopters and limousines.

I called Hoopermen's toll-free number and learned that, in the extremely unlikely event that I was admitted into Hoopermen's elite stable of studs (Hoopermen must be between the ages of 18 to 24, good-looking and speak two or more languages fluently), a request from a high-paying female executive for my sexual services might never come.

"I get a lot of calls from men wanting to work for Hoopermen," said a male representative at Hoopermen's U.S. phone number. "But in the last month, I haven't had any booking calls."

Male Escorts Online (www.male-escorts.com) looked like a better opportunity. The Web site charges escorts a small monthly fee to carry contact information, a picture and a profile.

"Unlike most other agencies, we don't charge you for the amount of bookings you receive," boasts Male Escorts Online. "We believe that ALL the money you make should be yours to keep."

But 100% of nothing is still nothing, I reminded myself. By now, I had become skeptical and jaded because of my past failures. Plus, I was down to $248.15 in savings. (In the past three weeks, I had spent about $100 on porn rentals, and another $100 for other essentials, such as beer, cigarettes and beef jerky.) *What the hell?* I shrugged. I paid the $9.95 (plus a $5 processing fee) and posted my personal information on the World Wide Web. In order to maximize my chances of snaring paying pussy as quickly as possible, I used the exact wording from the Male Escorts Online sample profile: "Likes dining out, clubbing, playing golf, reading, enjoys other people's company, country walks and cycling."

A couple of weeks later, not a single horny female had taken so much as a nibble at my ad; so I E-mailed some of the guys listed on Male Escorts Online to see if they could give me any advice. They weren't having (continued on page 118)

Male Escorts

(continued from page 108) much more luck than I was.

"I stopped my ad. I just wasn't getting any business," said Zack, who advertised with Male Escorts Online for two months without receiving a single response. "You know, women aren't as sexually motivated as men are. Or it just might be [Male Escorts Online] doesn't advertise enough. Or it could be a scam."

"I got a couple calls, but neither one has followed through," said David, a student in Colorado, who had been paying for a listing with Male Escorts Online for about a year. "One lady wanted to fly me out to Puerto Rico. She called me on the phone, but I never heard from her again. Another one was a guy and his wife. They were gonna pay me $500 an hour for 48 hours—like 24 grand, but they never called me again."

I wrote to Lorraine, the Male Escorts Online administrator, about the sad fact that Zack, David and I weren't finding any action.

"A number of [the male escorts] do [complain that they haven't received any calls]," Lorraine admitted to me in an E-mail. "We generally find that those who aren't getting the calls have posted nude pictures and uninteresting profiles. Women don't want to see naked bodies on escorts' profiles."

Naked bodies? I didn't run any nudie shots on my site. In fact, the high-school yearbook photo I posted made me look quite handsome and distinguished.

I finally found a male escort who claimed to be working regularly. Jamie, who has chiseled features and a thick shock of brown hair and resembles a Chippendale's dancer, works for Global Escorts (www.globalescorts.com.au), an outcall agency in Melbourne, Australia, that caters to men, women and couples. Of the agency's 24 male escorts, four cater exclusively to women. Jamie, one of the lucky quartet, recounted his good luck to me in an E-mail.

"After three years in this job, nothing surprises me. Husbands want me to have sex with their wives. One client wanted to lick my boots."

"I happened to be watching a television program featuring an interview with three male escorts," Jamie recalled. "The lifestyle and the income these men spoke of seemed too good to be true, and I was skeptical. But it sparked my interest, and I called to set up an interview. I started work the very next week, and I've never looked back. It is rare for me to go a night without working."

Just to see if Jamie was making shit up about screwing chicks for a living, I asked him to tell me about some of his experiences.

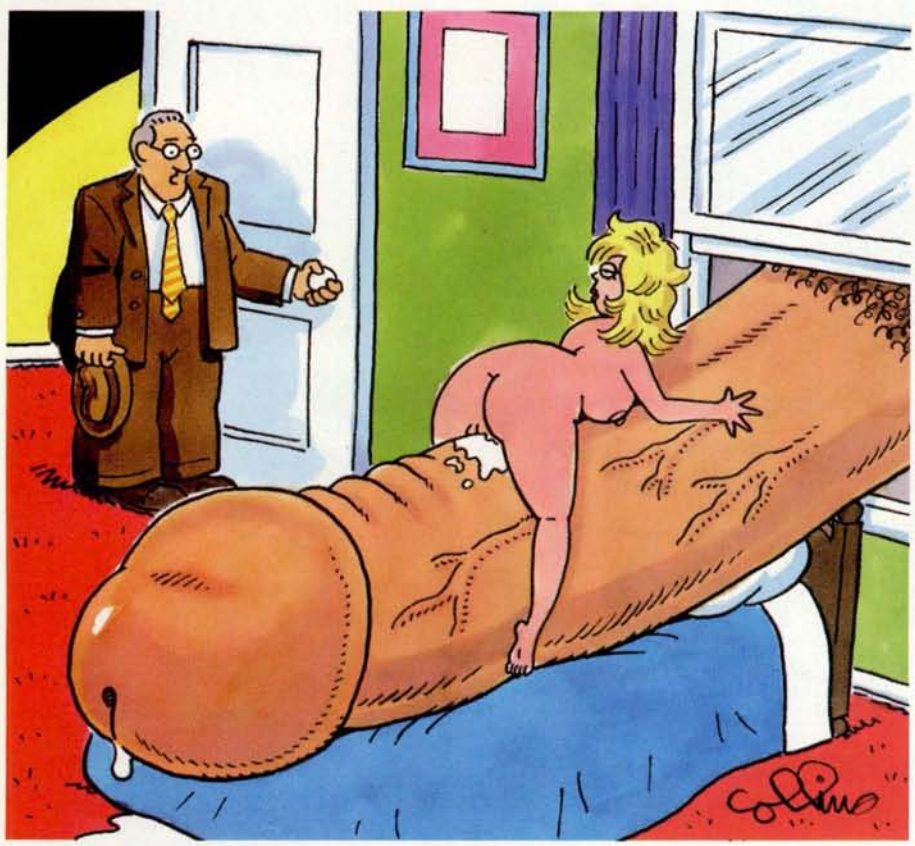
"After three years in this job, nothing surprises me anymore," Jamie replied. "Husbands want to watch me have sex with their wives. Someone was turned on by the sound of me sneezing. Another wanted to lick my boots. There are some who like golden showers. I've even had one who gets excited if I have a bowel movement."

* * *

Although I completely failed in my own efforts to become a gigolo, I met at least one guy who makes a living by doinking chicks, assuming that Jamie was telling the truth—he refused to supply me with the names and phone numbers of his female clients.

Just as I was about to give up on my goal of getting paid to get laid, I received my long-awaited package from Lori. In return for the $34.95 I had put in the mail three months before, I received an "Underground Swingers List" and a book with a chapter on starting a male-escort business. This chapter was less than three pages long and contained even less information than the WorldAxis program. At least the Underground Swingers List included two seminude photos of Lori (along with an offer to sell her panties). As part of the bargain, Lori tossed in a pitch for a book that teaches how to "get girls into bed with hypnotism" (only $14.95, plus $3.95 shipping).

A book on hypnotism might just be the thing to kick-start my escort career. I could use the power of suggestion to compel women to sleep with me, and while they were under my spell, I could command them to pay me handsomely for my services. I wrote out a check for $18.90, sealed it in an envelope and said a prayer. The $229.25 I had left to my name was going to have to keep me fed until the hypnotism booklet arrived. If this scheme didn't work out, I might be forced to not prostitute myself just to pay my rent.



"You told me it was over between you and Kong."

"Hey, handsome, how would you like to stick your nose in my business?"

Sex Slaves

(continued from page 80) on a handful of rice—it's a big step up, economically."

Still, debt bondage is only one aspect of sex trafficking. Many victims are kidnapped, while others are trapped through extortion or threats to their families.

According to Ukrainian police investigators, two abducted Russian women who refused their would-be pimps were thrown to their deaths from a balcony in Istanbul, Turkey. In an even more gruesome case reported by *New York Times* correspondent Michael Specter, a Czech sex slave was said to have been drugged and smuggled into Yugoslavia, then publicly beheaded after she defied her captors.

Elsewhere, all across Southeast Asia, impoverished rural families sell their own children into slavery—sometimes even when the offspring are mere tots. According to one Thai aid worker, who speaks on the condition of anonymity, the cruel rationale for selling off family members is that this practice allows peasants living in grinding poverty to earn a pittance.

"The price of a child can be as low as a few dollars," the aid worker says. "And in return, they have one less mouth to feed."

Because they are tractable, cheap and (hauntingly) portable, children have become a prized staple of flesh vendors everywhere.

"We have seen kids exploited and in the stream of child trafficking as young as three and four years old," says Ernie Allen, president of the National Center for Missing and Exploited Children. "This is not just a by-product of pedophilia, or some sort of sexual attraction to younger kids. Part of [the reason] is that, because of the AIDS epidemic, there is a demand for younger and younger kids—because of the thought that they would be less likely to be HIV-positive."

Given this assumption, the fate of numerous Burmese women and children who were sold into bondage in Thailand and subsequently contracted HIV is particularly gut-wrenching. According to a report by New York lawyer Youngik Yoon, these slaves were shipped home after developing AIDS, only to have Burmese health officials execute them by lethal injection.

* * *

In what can only be described as an outrageous shortfall, U.S. laws to date have only resulted in light prison terms for slave traders and heaped insult on injury when it came to their human merchandise: The sex slaves faced arrest and deportation, and were rarely given the chance to testify against the pushers who exploited them.

In the trial earlier this year of the Atlanta trafficking outfit, for example, two ringleaders received less than three years of jail time, in a country where dealing small quantities of LSD is punishable by life in prison. By contrast, their coolies, even those who were duped into coming to America, were quickly sent packing.

According to the New York Times, a Czech sex slave was drugged and smuggled into Yugoslavia, then publicly beheaded after she defied her captors.

"Because all my witnesses were gone, I was not able to prove coercion," says Janis Gordon, the federal prosecutor in that case. "The INS wouldn't let me hold them here; so the maximum sentence any of the traffickers got was 33 months."

Perversely enough, this conflicted approach on the part of law enforcement only plays into the hands of pimps and smugglers, whose most powerful weapon is to intimidate and control their work force by threatening to expose them to the INS.

"[The victims] are really afraid," says Hae Jung Cho, who heads the Los Angeles-based Coalition to Abolish Slavery and Trafficking. "No matter how exploitive their situation is, they're still more afraid of the INS."

The new antitrafficking law passed by Congress, however, seeks to improve this situation. Under its provisions, flesh peddlers would face 20 years to life in prison. Victims would have the opportunity to work legally in the U.S., and even sue their slave drivers for damages.

Sadly, the Victims of Trafficking and Violence Protection Act of 2000 comes two years too late for Nathalie, whose plaintively modest hopes were crushed by the combination of sadistic mobsters, crooked cops and a system that's indifferent at best. Hopefully, the legislation has arrived in time for all the other "Asian Angels" and "Russian Beauties" who currently dwell at the bottom of the sex industry's food chain.

"Being with two women or men" sounds great to Tina, but she's really into "watching men jack off." That's a funny coincidence, Tina; now that your picture is in HUSTLER, you'll also be inspiring them to do so.

Shopping, camping, fishing and vacations all interest the outdoorsy Amanda. But what the 21-year-old model from Henryville, Indiana, really craves is "to be caressed and loved on by two men at once." How about one man twice, Amanda? —Photo by Friend

Monica, 23, is a student from Tempe, Arizona. Luxurious, ass-length locks are just one of the Grand Canyon State Beaver's many strong points. Dancing, traveling and painting round out Monica's repertoire, but it's her desire "to be seen in a magazine naked by millions of men" that earns this lass a special place in our pages and pants. —Photo by Friend

Tucson, Arizona, is home to the lovely Janyce. The 31-year-old bartender spends her free time working out at the gym, collecting toy tigers, dancing and hiking. Janyce dreams of running "across two very muscular, athletic, gorgeous males" during one of her nature walks for some "sucking, pounding and flesh-eating." Like her favorite feline, Janyce has a taste for meat. —Photo by Husband

Candy is nice, but Wu from Jackson, Tennessee, looks even tastier. A 20-year-old cook and server, Wu's hobbies include the culinary arts, computing and automobiles. "If I worked in a strip bar," Wu offers, "I'd have my two male roommates show up, and I would make them look like the luckiest men in the world." Sweet.

Make a move and the pussy gets it! Corinna of Newport News, Virginia, dabbles in yoga, writing and dance. "Warm honey, hot chicks, handcuffs and a lot of licking" are all elements of the dental student's fantasy screw. Personally, we'd love to see the kind of damage this 22-year-old Beaver can do with her firearm-shaped toy.

—Photo by Boyfriend

Mariah of Evansville, Indiana, looks like a prize catch. The 24-year-old exotic dancer digs going to concerts and having anal sex. Taking part in an "all-woman orgy" is Mariah's unfulfilled fantasy. There's no question, this Beaver is a keeper.

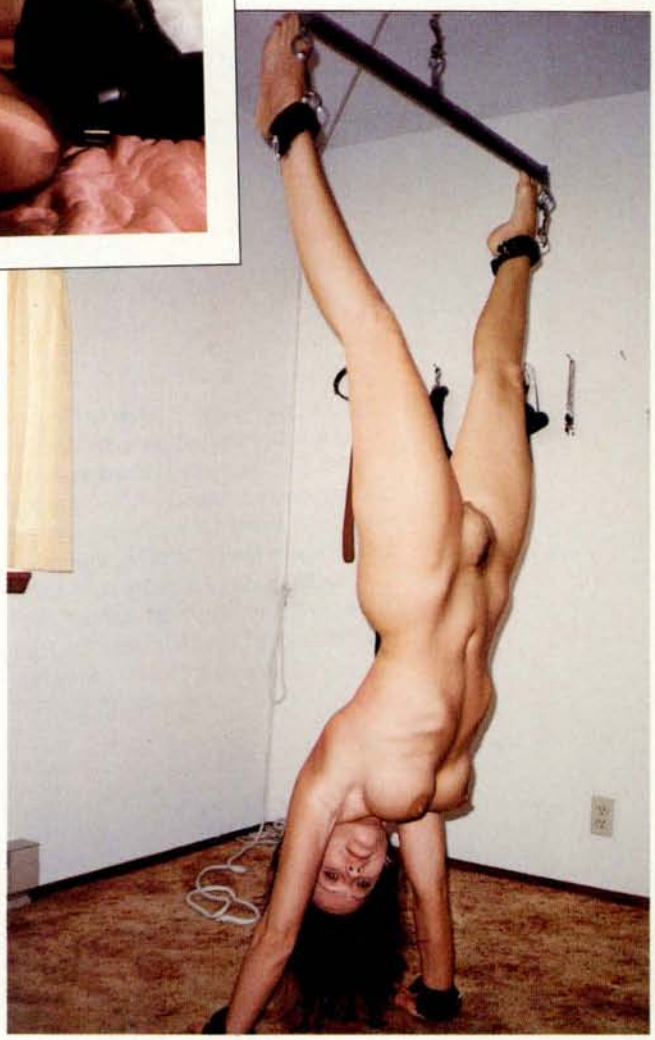
Ashling is a 24-year-old student from Dayton, Ohio. American classics such as baseball and Marilyn Monroe excite the neophyte novelist. Drinking in the local pub, working on her novel, photography and dancing are a few more of Ashling's favorite things. When it comes to sexual fantasies, the Beaver plays coy, stating only that, "I love a man in uniform, especially a baseball uniform." —Photo by Friend



Tourist activity in Kailua, Hawaii, has risen sharply recently, and it's not all because of the beaches. Amber, 27, offers indoor sightseeing that makes the transpacific trip more than worthwhile. A dancer and adult-entertainment expert, Amber hopes to someday have "multiple orgasms with a woman while men watch." —Photo by Husband

Removing her panties, Savannah serves up a slice of what every customer really wants from this lovely, 20-year-old waitress. When Savannah's not in-line skating or horseback riding around her hometown of Tucson, Arizona, the clean-shaven Beaver likes to imagine what it would be like to "have sex with another woman." —Photo by Friend

Ayana, a 24-year-old beauty from Atlanta, Georgia, splits her time between modeling and accounting. Exercising, reading and masturbating take up her free hours. For fun, Ayana would like to see "two girls in a pool, rubbing oil all over each other and eating each other out." Join the club, Ayana.

Phelan, California, is home to the gorgeous and selfless Jennifer. The 21-year-old pharmacy technician enjoys reading, going to museums, taking nude photos and being a living fantasy for her man. Jennifer longs "to make love to my husband in the freezing cold on the beach." Jennifer's high-minded, low-temperature aspiration makes the term "ice queen" sound appealing.

Gabrielle's Wall Street fantasy has nothing to do with making dough. Instead, the 24-year-old entertainer from Brooklyn, New York, toys with the idea of an after-hours affair in her boyfriend's brokerage office. "I straddle him in his chair, loosen his tie, unbutton his shirt and undo his pants. We proceed to have hot, wild sex right on top of his desk." Besides working late, Gabrielle enjoys topless tanning, dancing, shopping and cooking.

—Photo by Boyfriend

Paradise is a 21-year-old from Bangor, Maine. Dancing, shopping and taking care of her son occupy much of the sultry blonde's time. "I set my goals high to be the best I can," Paradise says proudly. With a hot, tight bod like hers, Paradise is already number one in our book.

Serving up muffins is Shelly's specialty. A 27-year-old bakery clerk from Pittsburgh, Pennsylvania, Shelly enjoys watching XXX videos and playing with her dildo. The blond Beaver dreams of "having sex with two men and two women at the same time."
—Photo by Husband

Tiffany just may be the perfect woman. An office manager from Ogden, Utah, the 26-year-old brunette loves golf, spending time at home and group sex, "but the ultimate would have to be getting picked to be in HUSTLER." What more could a fella ask for?

What Do Women Secretly Say Behind Their Lover's Back?

Muscles, Money, and Looks help, but women want a "bigger" man.

85% say they *NEVER* achieve an orgasm during sex...
72% say they *FAKED* orgasms they never had...
67% say they're *UNHAPPY* with their lover's penis size...

The "Average" Penis Size is Just 6-Inches... This Ad Is For Men Who Aren't Satisfied With Being "Just Average"

Herbal Science Breakthrough!
World Famous Pharmacist Creates Revolutionary Herbal Pill That Is Guaranteed To Increase Your Penis Size 1"... 2"... Even 3"... In Just A Few Short Weeks... with absolutely no side effects!

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me, I will make it worth your while to change your mind. Let me explain.

By simply taking two, 100% Natural LONGitude capsules everyday... you can increase the size of your penis in length and thickness by a whopping 26%! Sounds impossible? You bet it does, but 96% of the men who try LONGitude have great success, growing 1"... 2"... even 3" in just a few short weeks!

Be The Biggest Man Your Lover Ever Had!

Nothing, I mean NOTHING will beat the look on your lover's face when she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of FEAR in her eyes. You won't believe how a larger penis will make you feel!

How LONGitude Works:

Your penis is made up of three sperate chambers. One chamber you urinate and ejaculate from, and the other two are called your Erectile Tissue. When you get an erection, your brain releases a hormone which sends blood to your penis which fills your Erectile Tissue Chambers with blood.

Now get this, the size of your erect penis is totally dependent on how large your Erectile Tissue Chambers are. The more blood the Erectile Chambers can hold, the bigger your penis will be.

Right now, your penis is extremely smaller than what it could be if your Erectile Tissue Chambers were longer and wider. This is where LONGitude goes to work... painlessly making your two Erectile Chambers longer and wider, holding more blood, giving you the extra 1"-3" you wish you were born with.

How Long Does LONGitude Take To See Results?

Weeks 1 through 3 you'll notice an increase in thickness. Weeks 4 through 8 you'll notice growth in length and much more thickness in both erect and flaccid states. Weeks 9 and on, your penis will have taken on a new body, not just longer and thicker, but harder and healthier.

Nobody Wants To Be "Just Average"

The "average" erect penis is just 6" long. LONGitude is designed for men who aren't satisfied with "just average". You don't want to live in an average home... drive an average car... or make an average income... why settle for an "average" penis? Especially since LONGitude is 100% safe and you can do this in the privacy of your own home.

Size Does Matter!

A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better "equipped" than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short? It's up to you.

Permanent Results!

LONGitude is a breakthrough product that will make your penis grow until YOU are satisfied with your new size. Once you reach your optimum growth size, STOP taking LONGITUDE. The results you've achieved are permanent. I advise all users not to grow their penis past 8" or 9" because of the simple fact... You Will Be TOO LARGE For Most Women.

No Grow-No Pay Guarantee:

Simply "try" LONGitude for 30-days, and if after 30-days, you are not absolutely thrilled with your new growth, simply send back the empty bottle and we'll refund 100% of your money - EVEN THE SHIPPING COST! If LONGitude didn't work, we'd be stupid to offer such a powerful guarantee.

Order from the company that originated the love dolls over 10 years ago. See for yourself what 10 years of research has done to the love doll. Only teenage TINA and her big sister LAURA contain the amazing exclusive form that expands *AFTER* you receive your exclusive love doll. Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about ½ of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

PENIS ENLARGEMENT UP TO 12 INCHES

DR. BROSS COMPLETE PROFESSIONAL SYSTEMS

Jon West in the full length video feature *The Pleasure Principal*

YOU CAN HAVE A LONGER, THICKER AND HARDER PENIS NOW! OUR CUSTOMERS TELL US 9 INCHES...10 INCHES...EVEN A BIG 12 INCHES IS POSSIBLE!

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock! I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

The lips of my vagina slide around in my fingers like oysters. The sensation is better than anything. It feels better than finding Jesus.

(continued from page 47) a horse's mane. His heavy eyebrows obscure his small black eyes. Brant tells me, "The fact that you are a woman possessed of a fine, fair complexion, with cheeks like apples and clear green eyes; or that your hair is shiny like copper, and your ass a thing of sublime beauty; means nothing in the eyes of God. I will not place my huge, throbbing penis in the dank, tight folds of your vagina, for I have not yet made you my wife."

Then he bends me over the hard, wooden bench in his living room and lifts my ankle-length skirt over my head. He spits saliva onto my anus and rubs the gooey pit with his thumb. This makes the flesh of my buttocks prickle with goose pimples. A strange, tight sensation seizes my sacred woman place. Moisture escapes from between my legs, like during menstruation, only the fluid is colorless and slippery like oil.

Brant explains to me that it is not a sin to give and receive certain forms of pleasure out of wedlock. "The Lord will not be angry if I bury my nose in the wooly thatch between your legs and inhale the fragrance of your womanhood," he proclaims, his massive nostrils flaring while his sausagelike fingers burrow into my gentle thighs. "The Lord will not punish you if you take my aching shaft between your wet, red lips and suck it like a sugar-coated Eucharist."

Brant shows me how to take his member in my mouth and give him pleasure without guilt. He unbuckles his heavy engineer's overalls and lets them fall to the floor with a heavy *thud*. He stands before me with his penis exposed. The man-snake moves by itself, its one-eyed face straining heavenward.

"Open your mouth as wide as you can," Brant tells me.

I stretch my jaw as far as it will go, as if preparing to sing a hymn. Brant places a length of penis inside. My tongue twitches, and my lips quiver.

"Now relax your mouth, but do not allow your teeth to clamp down on the shaft."

I allow my face to slacken. My lips soften around his peter. My tongue loosens, and my throat expands. Slowly, carefully, Brant drives his saber in and out, in and out. It tastes like flesh. The skin is taut but soft, rolling like dough on a greased-up rolling pin.

"Good. Try to suck. Like a soda straw, and you want the orange pop; so you draw on it real firm."

I suck. The salty penis taste grows stronger. If I suck hard enough, it's almost like Brant's donger is trapped in my hot mouth. Then I release a little, and the thing slides back out a tad, and I can slurp it right back in.

"You are a good woman." There are shiny beads of sweat on Brant's forehead, and his voice is kind of hoarse and strained. "Keep doing that. It would be helpful, as well, if you would unbutton your dress and pull the top down so that your milky teats sway and jiggle with each movement."

I pull my arms out of my dress and remove my brassiere. A high-pitched, whiny moan escapes Brant's lips as I, still sucking diligently, cup my udders. When I pinch the large, dark nipples, the strange tightening in my crotch intensifies and my stomach flutters, like when you're on a swing and everything below your waist surges and flip-flops. I desperately want to place one of my soft breasts in my own wet mouth, but fear such an act would be disgraceful.

Brant's rod continues to saw steadily in and out of my mouth. I have grown accustomed to its fat tip ramming the back of my throat; so I don't gag anymore. Brant has thrown his head back. Gurgling noises bubble in his throat. I need to release that gripping pressure between my legs; so I sneak my hand under my skirt and rub. It's very, very wet down there. The lips of my vagina slide around in my fingers like oysters. I caress the rigid bump in between. My face goes hot. It's all tingle and vibration down there. My hand shakes for a moment, and that pressure just *pops*. Brant's rod is still in my mouth, and I can't cry out for fear of being caught, but the initial burst in my loins is followed by a bloom. Heat spreads like tentacles through my womb. The sensation is better than anything. It feels better than finding Jesus.

Shortly thereafter, Brant's pecker spits up in my mouth. His seed is loose but gummy, and it tastes like bitter mushrooms.

"You are a true blessing," Brant puffs, stroking my hair with his clumsy paw. He thinks I'm red and sweaty from fellating him. He doesn't know I masturbated. If he found out, he would probably hit me, as he should. Self-pollution is wrong, and I hope God forgives me.

Heather's
Toy Story

Photography by
Bob Twigg

"I thought I lost my favorite dildo," recalls Heather, "and I was so scared. **"I came home from a night of heavy drinking with some guy and crammed the store-bought dick in my cooch while the drunken stud drilled my shitter** until it was numb. The last thing I remember before passing out was his massive wad of jizz splashing on my tits. "I woke up with a killer hangover. The guy was nowhere in sight, and neither was my dildo. I thought the dude was some closet fag who'd swiped my plastic rod. I ran around panicking until I looked in the mirror and saw my dildo sticking out of my ass. I felt like the world's biggest retard, but at least I knew **I hadn't spent the night with a homo."**

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want. Our Sentry fits any size penis,** maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure – EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... INCREDIBLE VALUE... 4 MODELS AVAILABLE!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe, and effective..." (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that's an international "Best Deal!"

Coming Next Month in HUSTLER

Maypole Polishers

Pussy petals blossom in the May HUSTLER's garden of nasty delights. A fair-skinned maiden has her first taste of chocolate love in a slippery lesbo tangle. A bathing beauty hoists her copious casabas in a bid to be crowned May queen. A hard-edged biker gal displays her soft side when she rides the meat pipe of a fellow outlaw. A medieval princess sets aside her lute to strum her quim. Two nature-loving blondes celebrate the outdoors with one lucky stud in a cock-stiffening threeway. The May HUSTLER's festival of snatch is certain to make stiff poles shoot ribbons of jizz in exaltation.

Merle Haggard

Merle Haggard is among the last of a dying breed of law-breaking, hard-living country-music stars. Despite his songs about drinking and prison, "Okie From Muskogee," his anthem to kicking hippie ass, made him an establishment favorite more than 30 years ago. Now Haggard has returned to the spotlight with his first album in six years and a pot-smoking, pro-environment persona. Reporter Keith Bearden spent three days on tour with the 63-year-old Haggard for an exclusive talk about the notorious guitar slinger's history of coke binges, broken marriages and time in San Quentin, as well as his new life as a doting husband and father. Haggard claims to have mellowed, but riding on his smoky tour bus, Bearden finds the outlaw balladeer as ferocious and outspoken as ever.

Modern-Day Eunuchs

Most men go to any length to protect their balls from a severing blade, but as many as 300 men a year spend huge sums of money and countless hours seeking doctors who will turn them into voluntary sacless wonders. Amazingly, the quest to be gelded isn't occurring on the edges of civilization, but in modern western nations. A lack of medical professionals willing to carry out the procedure has led to numerous botched castrations by unlicensed surgeons and desperate do-it-yourselfers. These horrors, however, don't discourage those who feel they must discard their testicles to feel complete. An incisive HUSTLER feature examines the reasoning and the hair-raising methods of men who drop the ball for inner peace.

Rude Blooms

May's *Sex Play* reminds readers that chlamydia is not a flower in a valuable study of STDs and the odds of contracting one during an average fuck. Laugh till it spurts with the penetrating and uncensored satire of *Bits & Pieces*. Twelve aberrant reviews from *Erotic Entertainment* leave readers dripping and Mother Nature weeping. Breathe in the fragrant floras of 17 home-grown nymphs in *Beaver Hunt*. A banquet of filthy riches awaits in the May 2001 HUSTLER.
